The following shall be added to Regulation 6 of the Regulations under the Epidemic Diseases Regulation, 1897, for municipalities other than those of the Cities of Bangalore and Mysore, and for towns and villages, published under Government Notification No. 9383—Mis. F. 21-96, dated 10th February 1898:—

6. A. In any place or locality declared by the Government to be infected, no person shall occupy any deserted house before obtaining a certificate from the Deputy Commissioner or other officer appointed by him in this behalf, that such house is habitable without danger of infection to its inmates.

6. B. (1) If and whenever, in any place or locality declared by the Government of Mysore to be infected, any building or part of a building, which has been vacated or deserted by the inmates thereof, and which there is reason to suspect is infected with plague, is found to be fastened or locked up, the Deputy Commissioner or, subject to the general or special direction of the Deputy Commissioner, the District Plague Officer or other officer deputed by the Deputy Commissioner or District Plague Officer in this behalf, may, by a written notice affixed on the door, require that such building or part of a building be opened within such time, not being less than twenty-four hours, as may be prescribed in such notice; and at the expiration of the time so prescribed, the said Deputy Commissioner, District Plague Officer, or other officer so deputed or any person authorized by any of them in writing may, in the presence of a panchayat consisting of two or more respectable inhabitants of the locality, and between sunrise and sunset, enter any such building or part of a building, using for this purpose such force as may be necessary, and cleanse, disinfect and ventilate the same, and remove and disinfect or destroy any grain, bedding or clothing or any other goods or articles found therein. After such building or part of a building has been dealt with as above, it shall be re-locked, and its occupation prevented for so long as the said Deputy Commissioner, District Plague Officer, or other officer so deputed may deem necessary.

(2) A list shall be prepared of all movable property found in any building or part of a building dealt with as above, and signed by the officer in charge of the above operations and panchayat aforesaid.

(3) The owner of such movable property or some person in his behalf shall, in every instance, be permitted to attend, and a copy of the list prepared as above shall be delivered to him if he so desires.

(4) The owner of such movable property shall be responsible for taking charge of such property at the time when action as aforesaid is taken, or, in the case of an article requiring disinfection, so soon as the same has been disinfected; and in default of his so doing, the officer in charge of the operations may cause such property to be placed either in the said building or part of a building or in such other place as he may think fit; and neither the owner nor any person interested therein shall have any claim for compensation, damages or otherwise, in respect of loss or damage to such property however caused during the removal thereof or at any time thereafter.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to make the following Regulation, and to direct that it be added as Regulation 6A to the Original City Regulations published with Notification No. 9384—M. F. 21-96, dated 10th February 1898—

(1) *Demolition of buildings*—If, in the opinion of the Chief Plague Officer or Health Officer, or of a Medical Officer deputed by the Senior Surgeon, or, in the absence of any such officer, of the Surgeon of the District, any building (not being a hut or shed) which has been vacated or which has been dealt with under any of the foregoing Regulations, cannot be adapted to the sanitary requirements of a dwelling or is otherwise permanently unfit for human habitation, or if its existence is a source of danger, the President may demolish the same or any part thereof.

(2) *Valuation.*—Prior to any such building being demolished, the President or other officer authorised by him in this behalf shall cause the same or such part thereof as he may consider necessary to demolish, to be surveyed and its value at the time to be assessed by such person as Government may, by name or by virtue of office, appoint for that purpose, and shall, by written notice, affix, on some conspicuous part of such building, the date (not being less than seven days from the date of such notice) and the hour at which the building will be surveyed and assessed as aforesaid; and the work of demolition shall not be commenced until the building or portion thereof has been surveyed and the value so assessed. The valuation of such building by such officer shall be final and conclusive, and the owner shall be entitled to receive the amount thereof (which shall be provided out of the Municipal Funds), but he shall not be entitled to receive any further or other sum by way of compensation.

(3) *Building materials.*—The materials of any building or part of a building demolished as aforesaid shall be the property of the Municipality, and shall be removed and disposed of or, if necessary, destroyed by the President.

(4) *Rule of Assessment.*—In assessing the value of any building, regard shall be had only to the then actual market value of the structure; and no allowance shall be made, nor shall any compensation be paid, for compulsory demolition or otherwise.

(5) *Adjournment.*—In the event of the person appointed to assess as above, being unable to complete the surveys and valuations of the houses at the hour and on the date for which notices have been issued, he shall have power to arrange with the owners of the buildings concerned to complete them on some subsequent date or dates convenient to both parties, without further reference to the President or other officer authorised by him as above.

(6) *Saving clause.*—The provisions of this Regulation are not intended to, and shall not operate to, limit in any way powers which the President may possess independently of the powers hereby conferred.

No. Pg. 742, dated 26th December 1898.

The following Notifications issued by the Resident in Mysore are re-published for general information :—

No. 14 P., dated Bangalore, the 15th December 1898.—In exercise of the powers conferred on him by Section 2 of the Epidemic Diseases Act, 1897, as applied to the Civil and Military Station, the Resident in Mysore is pleased to prescribe the following regulations, in addition to the regulations published in the Resident's Notification No. 5840, dated 2nd November 1898.

1. No dead body shall be removed for the purpose of burning or burial, until a Government Medical Officer, or a Medical practitioner duly authorized in this behalf by the District Magistrate, has granted a certificate testifying to the cause of death. Such certificate shall be prepared in duplicate, one copy being given to the burial party to be presented to the Peon on duty at the Cemetery or burning ground, the other copy being sent forthwith to the District Medical Officer.

2. No person shall in any way assist in the disposal of any dead body for which a certificate as prescribed in the preceding rule has not been obtained, nor shall any person accompany the funeral procession of any such body.

3. No person shall use, or shall allow to be used, any carriage, cart, or any other vehicle, for the removal of any person who has died from plague, or who is suffering from plague, unless the vehicle be one authorised to be used for such purposes, or unless the consent of the District Medical Officer has been obtained to its use.

4. Any person disobeying the above regulations shall be deemed to have committed an offence under Section 188, Indian Penal Code.

No. 15 P., dated Bangalore, the 15th December 1898.—In supersession of Regulation II published in his Notification No. 5116, dated 29th September 1898, the Resident in Mysore is pleased to prescribe that the following officers are authorised to grant passes to persons desirous of leaving Bangalore Civil and Military Station by Road.

(i) The Secretary to the Municipal Commission, Civil and Military Station.

(ii) The Superintendents of Circles, to persons resident within their Circles, the passes being countersigned by the District Medical Officer of the Circle.

No. 28 P., dated Bangalore, the 15th December 1898.—In continuation of Regulation II of his Notification No. 849, dated the 3rd March 1898, as subsequently amended, the Resident in Mysore is pleased to direct that all medical practitioners, not being in the service of Government, shall at once report to the District Medical Officer of the circle, in which the sick person lives, any case in which glandular swellings or other symptoms suggestive of plague are perceived by them.

No. Pg. 766, dated 2nd January 1899.

It is hereby notified for general information that, in consequence of the danger of an outbreak of bubonic plague, the Government of Mysore, in exercise of the powers vested in them under Section 2, Sub-Section 1 of the Epidemic Diseases Regulation II of 1897, are pleased to prohibit the holding of the Car Festival at Nanjangud, Mysore district, on the 26th January 1899.

No. Pg. 768, dated 2nd January 1899.

It is hereby notified for general information that, in consequence of the danger of an outbreak of bubonic plague, the Government of Mysore, in exercise of the powers vested in them under Section 2 Sub-Section 1 of the Epidemic Diseases Regulation II of 1897, are pleased to prohibit the holding of the Car Festival and Sivaratri Jatra at Avani, Mulbagal taluk, Kolar district, which commence on the 11th and continue till the 26th of March 1899.

No. Pg. 770, dated 3rd January 1899.

The following Notification issued by the Resident in Mysore, is republished for general information :—

No. P. 51, dated Bangalore 17th December 1898.—The Resident in Mysore is pleased to prescribe under Section, 2 Sub-Section (1) of the Epidemic Diseases Act, 1897, as applied to the Civil and Military Station, Bangalore, the following regulation in place of Regulation 2 contained in Notification No. 849, dated 3rd March 1897 :—

1. Each householder or head of a family shall be bound to give immediate information of any sickness occurring within his house or family to the Medical Officer of his District, or to a Medical Practitioner authorized on this behalf by the District Magistrate.

No. Pg. 772, dated 3rd January 1899.

The following Notification issued by the Resident in Mysore, is re-published for general information :—

No. 70 P., dated Bangalore, the 21st December 1898.—The Resident in Mysore is pleased to prescribe under Section 2 of the Epidemic Diseases Act, 1897, as applied to the Civil and Military Station, the following regulation :—

No. Pg. 662, dated 13th December 1898.

Whereas the Government of Mysore are satisfied that there is danger of an outbreak of Bubonic Plague at Doddahabbur, Hunsur taluk, if people from the Bombay Presidency, Bangalore City or other infected areas are permitted to visit Doddahabbur on the occasion of the Anjaneya car festival and daily Utsavam which will take place from the 12th January 1899 to the 20th January 1899:

In exercise of the powers vested in them under Section 2, Sub-Section 1 of the Epidemic Diseases Regulation No. II of 1897, the Government of Mysore are pleased to direct that no person from any of the plague-infected tracts shall be permitted to visit Doddahabbur, from the 12th January 1899 to the 20th January 1899, both days inclusive.

No. Pg. 664, dated 15th December 1898.

The following Notification, issued by the Government of Madras, is re-published for general information:—

Intending pilgrims to the Yekadasi festival at Srirangam, which commences on the 13th December 1898 and ends on the 2nd January 1899, are hereby warned of the risk they will run in attending the festival. Cholera is prevalent in some villages in the Trichinopoly and Musiri taluks of this district.

No. Pg. 706, dated 21st December 1898.

In the additional temporary Regulation under the Epidemic Diseases Regulation 1897, issued under Notification No. 5235—Pg. 21-96, dated 15th October 1898, line 1, for the words "in the City of Bangalore" read "in the Cities of Bangalore and Mysore."

In the additional temporary Regulation under the Epidemic Diseases Regulation, 1897, issued under Notification No. 524, dated 23rd November 1898, for the words "in the Bangalore City" read "in the Cities of Bangalore and Mysore."

No. Pg. 710, dated 21st December 1898.

The following shall be added to Regulation 6 of the Regulations under the Epidemic Diseases Regulation, 1897, for municipalities other than those of the Cities of Bangalore and Mysore, and for towns and villages, published under Government Notification No. 9383—Mis. F. 21-96, dated 10th February 1898:—

6. A. In any place or locality declared by the Government to be infected, no person shall occupy any deserted house before obtaining a certificate from the Deputy Commissioner or other officer appointed by him in this behalf, that such house is habitable without danger of infection to its inmates.

6. B. (1) If and whenever, in any place or locality declared by the Government of Mysore to be infected, any building or part of a building, which has been vacated or deserted by the inmates thereof, and which there is reason to suspect is infected with plague, is found to be fastened or locked up, the Deputy Commissioner or, subject to the general or special direction of the Deputy Commissioner, the District Plague Officer or other officer deputed by the Deputy Commissioner or District Plague Officer in this behalf, may, by a written notice affixed on the door, require that such building or part of a building be opened within such time, not being less than twenty-four hours, as may be prescribed in such notice; and at the expiration of the time so prescribed, the said Deputy Commissioner, District Plague Officer, or other officer so deputed or any person authorized by any of them in writing may, in the presence of a panchayat consisting of two or more respectable inhabitants of the locality, and between sunrise and sunset, enter any such building or part of a building, using for this purpose such force as may be necessary, and cleanse, disinfect and ventilate the same, and remove and disinfect or destroy any grain, bedding or clothing or any other goods or articles found therein. After such building or part of a building has been dealt with as above, it shall be re-locked, and its occupation prevented for so long as the said Deputy Commissioner, District Plague Officer, or other Officer so deputed may deem necessary.

(2) A list shall be prepared of all movable property found in any building or part of a building dealt with as above, and signed by the officer in charge of the above operations and panchayat aforesaid.

(3) The owner of such movable property or some person in his behalf shall, in every instance, be permitted to attend, and a copy of the list prepared as above shall be delivered to him if he so desires.

(4) The owner of such movable property shall be responsible for taking charge of such property at the time when action as aforesaid is taken, or, in the case of an article requiring disinfection, so soon as the same has been disinfected; and in default of his so doing, the officer in charge of the operations may cause such property to be placed either in the said building or part of a building or in such other place as he may think fit; and neither the owner nor any person interested therein shall have any claim for compensation, damages or otherwise, in respect of loss or damage to such property however caused during the removal thereof or at any time thereafter.

No. Pg. 723, dated 23rd December 1898.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to make the following Regulation, and to direct that it be added as Regulation 6A to the Original City Regulations published with Notification No. 9384—M. F. 21-96, dated 10th February 1898—

(1) *Demolition of buildings.*—If, in the opinion of the Chief Plague Officer or Health Officer, or of a Medical Officer deputed by the Senior Surgeon, or, in the absence of any such officer, of the Surgeon of the District, any building (not being a hut or shed) which has been vacated or which has been dealt with under any of the foregoing Regulations, cannot be adapted to the sanitary requirements of a dwelling or is otherwise permanently unfit for human habitation, or if its existence is a source of danger, the President may demolish the same or any part thereof.

(2) *Valuation.*—Prior to any such building being demolished, the President or other officer authorised by him in this behalf shall cause the same or such part thereof as he may consider necessary to demolish, to be surveyed and its value at the time to be assessed by such person as Government may, by name or by virtue of office, appoint for that purpose, and shall, by written notice, affix, on some conspicuous part of such building, the date (not being less than seven days from the date of such notice) and the hour at which the building will be surveyed and assessed as aforesaid; and the work of demolition shall not be commenced until the building or portion thereof has been surveyed and the value so assessed. The valuation of such building by such officer shall be final and conclusive, and the owner shall be entitled to receive the amount thereof (which shall be provided out of the Municipal Funds), but he shall not be entitled to receive any further or other sum by way of compensation.

37 20

(3) *Building materials*.—The materials of any building or part of a building demolished as aforesaid shall be the property of the Municipality, and shall be removed and disposed of or, if necessary, destroyed by the President.

(4) *Rule of Assessment*.—In assessing the value of any building, regard shall be had only to the then actual market value of the structure; and no allowance shall be made, nor shall any compensation be paid, for compulsory demolition or otherwise.

(5) *Adjournment*.—In the event of the person appointed to assess as above, being unable to complete the surveys and valuations of the houses at the hour and on the date for which notices have been issued, he shall have power to arrange with the owners of the buildings concerned to complete them on some subsequent date or dates convenient to both parties, without further reference to the President or other officer authorised by him as above.

(6) *Saving clause*.—The provisions of this Regulation are not intended to, and shall not operate to, limit in any way powers which the President may possess independently of the powers hereby conferred.

No. 7653—J. 822, dated 23rd December 1898.

Whereas, owing to the conduct of the inhabitants of the Towns of Ganjam and Seringapatam and of the villages named in Statement A appended to this Notification, the Deputy Commissioner of the Mysore district deems it expedient to increase the number of Police employed in the abovementioned places, the Government of Mysore hereby sanction, under Section 33 of the Regular Police Rules, the employment for a period of one year of a Police force in excess of the fixed complement, to be quartered in the part of the Mysore district comprising the abovementioned places, such force consisting of—

No. Pg. 785, dated 5th January 1899.

The following Notifications, issued by the Resident in Mysore, are re-published for general information :—

No. 155 P., dated Bangalore, 27th December 1898.

In exercise of the powers conferred on him by Section 2 of the Epidemic Diseases Act, 1897, as applied to the Civil and Military Station of Bangalore, the Resident in Mysore is pleased to prescribe the following Regulations, in supersession of those prescribed in his Notifications No. 4936, dated 23rd September 1898 (as subsequently amended) and No. 5116, dated 29th September 1898 :—

I. From the date of this Notification no person shall leave the Bangalore City Railway Station by rail, or the Civil and Military Station, Bangalore, by rail or by road, unless he has provided himself with a pass in Form A attached to this Notification.

Provided that this Regulation shall not apply to :—

- (a) persons holding a certificate of inoculation bearing their thumb mark impression and dated within six months previously, or
- (b) to any Mysore or British Government official, or to any Railway official, travelling on duty.
- (c) persons holding through tickets and who have not been in Bangalore for more than 6 hours.

II. From the date of this Notification, no person shall leave Bangalore by rail from the City Railway Station unless he has provided himself with either a disinfection certificate (in Form B attached), or a certificate of exemption from disinfection (in Form C attached) in addition to the pass prescribed in Regulation I above. The booking clerks at the City Railway Station shall issue no ticket unless, with the fare, is tendered the pass and also one or other of the certificates just mentioned.

Provided that this Regulation shall not operate in the case of :—

- (a) Mysore or British Government, or Railway officials, travelling on duty, who can satisfactorily establish their identity,
- (b) persons holding through tickets and who have not been in Bangalore for more than 6 hours.

But this regulation shall apply to persons holding certificates of inoculation.

III. Commencing from the date mentioned in the previous regulations, no person shall be booked outwards from the Bangalore direction at any of the following stations, viz :—

Bangalore-Cantonment, Krishnarajapuram, White-field, Yesvantpur, Chick Banavar and Yelahanka, unless he is in possession of a pass and also a certificate of exemption from disinfection (in Form C attached).

Provided that this regulation shall not operate :—

- (i) in the case of Mysore or British Government officials travelling on duty who can satisfactorily establish their identity,
- (ii) at Bangalore-Cantonment Station in the case of persons holding through tickets and who have not been in Bangalore for more than 6 hours, and
- (iii) at the Stations of Krishnarajapuram, White-field, Yesvantpur, Chick Banavar and Yelahanka in the case of persons who can produce a certificate from an official not below the rank of Amildar that they have not within the past ten days resided within or visited an infected area.

IV. Disinfection certificates referred to in Regulation II can be obtained in the manner prescribed in the attached rules (Appendix A), wherein also the time, place and mode of disinfection as well as the articles liable to be disinfected are described. After disinfection each person will receive a certificate stating that he or she has been disinfected, signed by the officer in charge of disinfecting arrangements appointed by the Resident, and will be required to remain in the disinfection camp until shortly before the departure of the train.

V. The Officers authorized to grant passes and certificates of exemption from disinfection are :—

For persons residing in the Civil and Military Station.

- (i) The Municipal Secretary, Mayo Hall.
- (ii) The Special Plague Officer, Mayo Hall.
- (iii) The Superintendent of the Circle in which the person desiring the pass or certificate resides : such passes to be counter-signed by the District Medical Officer.

For those residing outside the limits of the Civil and Military Station.

- (i) The Senior Surgeon and Sanitary Commissioner to the Government of Mysore.
- (ii) The Chief Plague Officer, Bangalore City.
- (iii) The President City Municipality at his office in the District office compound, between the hours of 12 noon and 6 p. m.
- (iv) The Health Officer, Bangalore City, at his office near the Lunatic Asylum, between the hours of 12 noon and 6 p. m.
- (v) The Ward Officer No. I Ward, at his office at the Dewankhana next to the Taluk Cutcherry, between the hours of 3-30 and 6 p. m.
- (vi) The Ward Officer No. II Ward, at his office at Arya Balika Patasala, Siddicutta.
- (vii) The Ward Officer No. III Ward, at his office at Sanjivanayakan Gulli No. 2, Avenue Road.

(viii) The Ward Officer No. IV Ward, at his office at No. 625, Taluk Cutcherry Road, Ulsoorpet. In the case of the 3 officers last mentioned, application should be made between the hours of 3 P. M. and 5 P. M.

VI. The officers referred to in the Preceding Regulation are empowered to :—

- (i) refuse passes to any person known or suspected to be suffering from plague, or one of whose relations has been attacked or in whose house a case of plague has occurred, or who has recently resided in an infected quarter of the station, or who is likely by his dirty appearance or otherwise to spread the disease :—
- (ii) to grant general passes to persons who have occasion to make daily or frequent journeys outside the Civil and Military Station, but such passes shall relate to journeys, by road only. For each journey by rail a separate pass is required.

RULES FOR DISINFECTION CAMP, APPENDIX A., REFERRED TO IN REGULATIONS IV. & IX.

1. The place of disinfection for persons leaving Bangalore by rail shall be the shed, known as the State carriage shed on the Southern Mahratta Railway line to the west of the City Station, hereinafter called the Disinfection Camp.

2. Persons desirous of being disinfected must attend the disinfection camp with the luggage which they wish to take with them out of Bangalore. They shall on no account be allowed to cross the lines of rail from the platform to the disinfection camp but must go round by the level crossing and approach the camp from the south.

3. The camp will be open for disinfection of persons and their luggage daily from 6 a. m. to 10 a. m., and from 3-30 p. m. to 6-30 p. m. Persons desirous of leaving by the 6-25 a. m. train in the direction of Bowringpet, Jalarpett, etc., must attend the camp for disinfection not later than 6 p. m. the previous evening. They will be at once disinfected and will be required to remain in the camp during the night, accommodation being provided. In the case of all other trains it will suffice if passengers desirous of proceeding thereby attend the camp 1½ or 2 hours before the train is timed to start.

4. After disinfection all persons shall be conducted by way of the level crossing to the City Station in sufficient time to enable them to purchase tickets before the train starts.

5. No person after disinfection shall receive any luggage or parcel from any one outside the disinfection camp. Any person evading this rule will not be allowed to purchase a ticket unless he has again been disinfected with his luggage. Any person failing to proceed by the first train after disinfection shall be required immediately to deliver up the disinfection certificate in his possession and shall, if he desire to proceed by any subsequent train, be subjected to a second disinfection. Travellers are advised to retain their disinfection certificates until the inspection stations in Mysore have been passed.

6. Disinfection shall be carried out by washing the hands and feet of the person with disinfection solution. The solution to be water, either warm or cold, as preferred, mixed with Jeye's fluid or carbolic acid of strength 1 in 100.

7. Female attendants will be provided for women, and arrangements will be made for the strict preservation of their "gosha."

8. All luggage which those persons who are required by these Regulations to obtain disinfection certificates before they can be permitted to proceed by rail, desire to take with them by train, will be disinfected in the following manner :—

- i. Each package, box, or bundle, shall be opened out and examined. All articles excepting food stuffs, costly silks, clean clothes, expensive cloths, or leather goods, shall be put into a gunny bag, a separate bag being provided for each passenger or family. A metal number shall be attached thereto, a duplicate being given to the owner of the contents. The bag and its contents shall then be placed in a cylinder and subjected for 20 minutes to a steam pressure of 20 lbs. to the square inch.
- ii. Costly silks, leather goods, good clothes or expensive cloths shall be disinfected either by being washed in a solution of perchloride of mercury 1 in 1000, or by being exposed to the sun, or in such other manner as is in the opinion of the Officer in charge of Disinfection best calculated to thoroughly disinfect without damaging them.

When the disinfection above described has been completed the duplicate metal number shall be taken from the owner of the goods so disinfected and his luggage restored to him.

Such portion of this regulation as requires the applicant to appear personally may be relaxed at the discretion of the officer empowered to grant certificates in the case of ladies or children on whose behalf application may be made by a male member of their family. The officers appointed by the Resident in Mysore and the Mysore Government, respectively, for the duty of granting certificates of exemption from disinfection, have power for sufficient reason to refuse to grant such certificates.

VII. Passes and certificates shall be valid only for 48 hours commencing from the time at which they were granted. Such time shall be recorded thereon, and it shall be the duty of the booking clerks to ascertain, before issuing any ticket, that the pass or certificate presented to them is still valid.

VIII. A copy of every pass shall be sent by post on the day of issue to the Magistrate, Municipal President or local authority of the place to which the holder of such pass is proceeding.

IX. The luggage of persons desirous of leaving Bangalore by rail from the City Station shall be dealt with as follows:—

- (a) in the case of persons who are not in possession of certificates exemption from disinfection, it shall be disinfected as provided in the attached rules (Appendix A). No

such person shall take into the City Station or receive at any of the Stations mentioned in Regulation II any luggage or bundle which has not been disinfected.

- (b) in the case of persons who have obtained certificates of exemption from disinfection, or who are British or Mysore Government or Railway officials travelling on duty, or who hold through tickets and have not been in Bangalore for more than 6 hours, it shall be taken on to the platform by station registered coolies and a declaration shall be handed by the passenger to the luggage clerk to the effect that neither the luggage to be weighed, nor that in possession of the passenger, contains any portion of the luggage of a person who has not obtained a certificate of exemption from disinfection, and whose luggage is consequently liable under the preceding clause and the attached rules to disinfection. Without such a declaration the luggage clerk shall not book the luggage.

X. In the case of persons who are permitted under Regulation III to book from the Bangalore-Cantonment Station, their luggage shall be dealt with as laid down in clause (b) of the preceding Regulation.

No. 166 P., dated Bangalore, the 28th December 1898.

In exercise of the powers conferred on him by Section 2 of the Epidemic Diseases Act, 1897, as applied to the Civil and Military Station of Bangalore, the Resident in Mysore is pleased to cancel his Notification No. 70 P., dated 21st December 1898, and under Section 2 of the above Act to prescribe the following regulation :—

No building, or portion of a building, which has been vacated or deserted by its inmates, shall be opened or re-occupied except with the permission and under the supervision of the Special Plague Officer of the Division, who shall cause the building to be cleaned and disinfected before allowing it to be re-occupied. The owner or occupier of such building, or portion of a building, shall be allowed a reasonable time in which to carry out the necessary cleansing and disinfection to the satisfaction of the Special Plague Officer, failing which the Special Plague Officer shall carry out the work himself. Provided that no house, building, or premises shall be re-occupied, which has been or may be declared by the District Medical Officer to be unfit for human habitation.

No. 167 P., dated Bangalore, the 28th December 1898.

In exercise of the powers conferred on him by Section 2 of the Epidemic Diseases Act, 1897, as applied to the Civil and Military Station of Bangalore, the Resident in Mysore is pleased to prescribe the following temporary Regulation :—

When, in the opinion of the District Medical Officer of the division, it appears necessary to disinfect any house, or street, or block of houses on account of the vicinity of houses that have been infected by plague, or on account of the insanitary nature of the surroundings, such house or street or block of houses may be at once cleaned and disinfected under the supervision of the Special Plague Officer of the Division. When the disinfecting party is ready to clean any house, the inmates may be at once required to temporarily vacate the premises, while the cleaning and disinfection, is being carried out. On the completion of the cleaning and disinfection, the inmates shall immediately be allowed to re-occupy the premises, unless they be declared by the District Medical Officer to be unfit for human habitation or unless a case of plague has occurred on the premises within the ten days previous, and the inmates thereof have not been inoculated.

NOTIFICATIONS BY THE GOVERNMENT OF MYSORE.

GENERAL AND REVENUE.

No. Pg. 723, dated 23rd December 1898.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to make the following Regulation, and to direct that it be added as Regulation 6A to the Original City Regulations published with Notification No. 9384—M. F. 21-96, dated 10th February 1898—

(1) *Demolition of buildings.*—If, in the opinion of the Chief Plague Officer or Health Officer, or of a Medical Officer deputed by the Senior Surgeon, or, in the absence of any such officer, of the Surgeon of the District, any building (not being a hut or shed) which has been vacated or which has been dealt with under any of the foregoing Regulations, cannot be adapted to the sanitary requirements of a dwelling or is otherwise permanently unfit for human habitation, or if its existence is a source of danger, the President may demolish the same or any part thereof.

(2) *Valuation.*—Prior to any such building being demolished, the President or other officer authorised by him in this behalf shall cause the same or such part thereof as he may consider necessary to demolish, to be surveyed and its value at the time to be assessed by such person as Government may, by name or by virtue of office, appoint for that purpose, and shall, by written notice, affix, on some conspicuous part of such building, the date (not being less than seven days from the date of such notice) and the hour at which the building will be surveyed and assessed as aforesaid; and the work of demolition shall not be commenced until the building or portion thereof has been surveyed and the value so assessed. The valuation of such building by such officer shall be final and conclusive, and the owner shall be entitled to receive the amount thereof (which shall be provided out of the Municipal Funds), but he shall not be entitled to receive any further or other sum by way of compensation.

(3) *Building materials*.—The materials of any building or part of a building demolished as aforesaid shall be the property of the Municipality, and shall be removed and disposed of or, if necessary, destroyed by the President.

(4) *Rule of Assessment*.—In assessing the value of any building, regard shall be had only to the then actual market value of the structure; and no allowance shall be made, nor shall any compensation be paid, for compulsory demolition or otherwise.

(5) *Adjournment*.—In the event of the person appointed to assess as above, being unable to complete the surveys and valuations of the houses at the hour and on the date for which notices have been issued, he shall have power to arrange with the owners of the buildings concerned to complete them on some subsequent date or dates convenient to both parties, without further reference to the President or other officer authorised by him as above.

(6) *Saving clause*.—The provisions of this Regulation are not intended to, and shall not operate to, limit in any way powers which the President may possess independently of the powers hereby conferred.

No. 7653—J. 822, dated 23rd December 1898.

Whereas, owing to the conduct of the inhabitants of the Towns of Ganjam and Seringapatam and of the villages named in Statement A appended to this Notification, the Deputy Commissioner of the Mysore district deems it expedient to increase the number of Police employed in the abovementioned places, the Government of Mysore hereby sanction, under Section 33 of the Regular Police Rules, the employment for a period of one year of a Police force in excess of the fixed complement, to be quartered in the part of the Mysore district comprising the abovementioned places, such force consisting of—

No. 8201—Mis 1836, dated 16th January 1899.

In continuation of Notification No. 8226—Mis. 1637, dated 18th January 1899, the undermentioned papers regarding the election of Fellows of the Calcutta University in January 1899 by Graduates of that University, living in the Mofussil, are published for the information of the graduates concerned—

(1) Letter No. 420—2S, dated 15th December 1898, from the Deputy Secretary to the Government of India, Calcutta.

Sir,

In continuation of Home Department letter Nos. 330—338, dated 10th December 1897, I am directed to forward a copy of the marginally noted letter to the Registrar of the Calcutta University, regarding the election of Fellows of that University to be held in January next. I am to request that instructions may be issued to permit those graduates of the University, who are unable to appear in person at the Senate House, Calcutta, on the 2nd January 1899, and take part in the election, to fill up their voting papers in the presence of a Magistrate or a Judicial Officer, as defined in this Department letter No. 6 Edn.—172-182, dated the 27th March 1895.

I have the honor to be,

Sir,

Your most obedient servant

(Sd.) H. LUSON,

Dy. Secy. to the Govt. of India.

Copy, with copy of enclosure, forwarded to the Foreign Department for information, in continuation of Home Department endorsement No. 339, dated the 10th December 1897, with the request that similar instructions may be issued to Political Officers in Native States.

By Order,

(Sd.) H. LUSON,

Dy. Secy. to the Govt. of India.

2. Letter No. 368, dated Simla, the 5th November 1898, from A. H. L. Fraser, Esq., C.S.I., Officiating Secretary to the Government of India, Home Department, to the Registrar, Calcutta University—

I am directed to acknowledge the receipt of your letter No. 669, dated 20th September, inquiring whether there will be an election of Fellows by graduates of the Calcutta University in January next, and, if so, what number should be elected and what qualifications should be required in the case of the electors and the candidates. It is stated in your letter that there are nine vacancies in the Senate, caused by death and retirement.

(2) In the first place I am to point out that the statement of Fellows who have died or retired, given in your letter, does not seem to be correct. The name of Sir Alexander Mackenzie, K. C. S. I., is shown in the list of the Fellows who have retired, but it has apparently been overlooked that this vacancy is filled under Section VI of the Act of Incorporation by His Honor the present Lieutenant-Governor of Bengal. The name of Dr. G. King, whose resignation was reported to the Government of India with your endorsement No. 1279, dated 9th March 1898, is not included in the list. Making these two corrections, the number of vacancies stands at nine as stated in your letter.

3. His Excellency the Chancellor has decided to allow two of the vacancies in the Senate to be filled by election next year. One of these vacancies should be filled by a Bachelor in the Faculty of Engineering of ten years' standing or a holder of a higher degree in the same Faculty, and the other by a Master of Arts or a Bachelor of Arts who graduated before the year 1867. His Excellency has also decided that the electors must be either Masters or holders of a higher degree in some Faculty, or Bachelors of Arts who graduated before the year 1867.

No. 5843—*Ft. F. 166-95, dated 23rd February 1899.*

No. Pg. 1096, dated 2nd February 1899.

REGULATIONS FOR THE SUPERVISION SYSTEM.

For the more efficient working of the Supervision system in the cities, towns and villages in which it has been or may hereafter be introduced, the Government of Mysore, in exercise of the powers vested in them under Section 2, Sub-Section (ii) of the Epidemic Diseases Regulation, 1897, are pleased to prescribe the following Regulations, in supersession of those contained in Notification No. Pg. 556, dated 28th November 1898.

1. *Section I.—Definitions.*—The Supervision system shall, for the purpose of these Regulations, mean an initial census of the city, town or village, and the daily inspection subsequently by Supervisors of each house in any city, town or village into which the said system has been or may hereafter be introduced by the Plague Commissioner by Notification in the *Gazette* for the purpose of ascertaining each case of sickness or death therein, each arrival thereat, and each departure therefrom.

2. For the purposes of this system, the city, town or village shall be divided into Circles which shall be again subdivided into Blocks.

Every Officer in charge of a Circle shall be called a "Superintendent," of a Block a "Supervisor."

Note.—In the Cities of Bangalore and Mysore, Superintendent shall include a Ward Officer or Assistant Ward Officer.

3. The term Supervision Officer includes the Chief Plague Officer in the Cities of Bangalore and Mysore and such officer as the Deputy Commissioner of the district may appoint in other towns and villages to be the Chief Controlling Officer for the purpose of this system.

4. A Block shall ordinarily consist of 100 to 200 houses, but this number is liable to variation according to the situation of the houses.

Section II.—In any city, town or village into which this system has been or may hereafter be introduced, all houses shall be numbered serially, every street having its own series. The number shall be written in bold figures on the entrance of the house.

Section III.—Every Block shall have a book, and every house a separate page in the book.

Section IV.—Every Supervisor and every Enumerator, who may be appointed for the purpose of the initial census shall be furnished with a printed authority which shall state his name, caste, and the Block for which he is appointed. He shall produce this whenever his identity or authority is questioned.

Section V.—On a day and hour to be notified by the President of the Municipal Commission in the Cities of Bangalore and Mysore, and by the Deputy Commissioner of the district in other towns and villages, a census of the whole city, town or village into which this system has been or may be hereafter introduced, shall be taken.

Section VI.—Previous to that date a printed list, being an exact copy of the Block page, shall be supplied to every house-owner or head of the family, with a request to fill in the same with correct particulars as to name, age, sex, occupation, whether inoculated or not, and, if inoculated, whether once or twice inoculated, of all persons living in the house.

The house-owner or head of the family shall, on the said date, deliver to the Supervisor or Enumerator the said printed list filled in with the abovementioned particulars and duly signed by him.

Section VII.—For the purposes of the said Census, the Supervisors or Enumerators shall have power to visit each house and ascertain the number, names, age, sex, caste, occupation and other particulars of its occupants; and every inmate of each house shall be bound to answer truly the questions of such Supervisor or Enumerator put for the purpose of the above enquiry.

Provided that where such a course is opposed to the caste, usage or social customs of any particular class of persons, it shall not be compulsory for the members of such class to declare the names of the women of their family.

Section VIII.—Supervision Officers, Superintendents and Supervisors shall, for the purposes of this system, have power to daily visit each house in their Circles or Blocks and, either by personal inspection, if necessary, or by questioning the inmates of such house, to ascertain each case of sickness or death, and its cause, that may have occurred therein, and each new arrival thereat, and the place from whence such arrival came, and each new departure therefrom, and the place of destination of such departure.

Provided that when personal inspection is deemed necessary, inspection of females, in a household of which the females are "Gosha," shall only be made by females.

Section IX.—It shall be the duty of every householder to afford every facility to such Supervision Officer, Superintendent or Supervisor to ascertain the above information; and every inmate of a house so visited by a Supervision Officer, Superintendent or Supervisor shall be bound to answer truly any question such Officer, Superintendent or Supervisor may ask for the purpose of the above enquiry.

Section X.—It shall be in the power of a Supervision Officer, Superintendent or Supervisor to daily demand and see the observation notice of all arrivals from an infected area, for ten days after their arrival, and to see that the initials of the Medical Officer under whose observation such arrival is, have been affixed each day to such notice, and in default of finding such initials, to send for and take the explanation of such arrival for the default; and it shall be the duty of all such arrivals to produce such observation notice and to answer truly all questions concerning it which such Supervision Officer, Superintendent or Supervisor shall put.

Section XI.—Any arrival refusing or failing on demand of such Supervision Officer, Superintendent or Supervisor to produce such observation notice, shall be liable to be removed to such detention shed or camp as the Supervision Officer may direct and to remain there till the completion of his ten days' observation.

Section XII.—In any city, town or village into which the Supervision system has been or may hereafter be introduced, no person shall change his residence from one house to another in such city town or village, without a permit from his Supervision Officer or Superintendent.

Section XIII.—Any person disobeying or contravening or refusing to submit himself to, any of the above Regulations, or obstructing any authority or officer appointed under competent authority to carry out any of the above Regulations in the discharge of his duties as such authority or officer, shall be deemed to have committed an offence under Section 188 of the Indian Penal Code, and shall be liable on conviction to imprisonment of either description for a term which may extend to six months, or fine which may extend to Rs. 1,000, or both.

No. Pg. 1111, dated 2nd February 1899.

Whereas the Government of Mysore are satisfied that there is danger of an outbreak of bubonic plague at Shikarpur in Shikarpur taluk, Shimoga district, if people from the Bombay Presidency and other infected areas are permitted to visit Shikarpur on the occasion of Hucharaya Devaru car festival, which will take place from 25th to 30th April 1899 :

Regulation amending Regulation 29 of Additional Mofussil Regulations:

Observation notices and passes shall be in the forms attached. After a town or village is declared infected or when it forms a portion of any area, which has been declared to be infected, no person, unless exempted under the next succeeding Regulation, shall leave such town or village unless supplied with a pass and served with an observation notice obtained from and issued by the plague authority or other officer generally or specially authorized by the Deputy Commissioner in this behalf.

2. The officer issuing a pass to a person leaving such town or village to reside elsewhere shall, before delivering the pass to him, also serve him with an observation notice.

3. The provisions of Regulation 11A embodied in Notification No. 1291—Mis. F. 21-96, dated 25th July 1898, and of Regulation 3 A embodied in Notification No. 1290—Mis. F. 21-96, dated 25th July 1898, shall *mutatis mutandis* apply to observation notices issued under this Regulation.

4. Persons living in a town or village (after it has been declared to be infected) to whom general passes in Forms II and III have been issued, shall be bound to present themselves once a week before the local authority (as defined in the preceding Regulation 5) and to obtain an endorsement from him of the fact of their having done so.

No. Pg. 1125, dated 4th February 1899.

It is hereby notified that the taluk of Seringapatam will be deemed to be an "infected area" for the purposes of the Regulations issued with Notifications Nos. 9383—Mis. F. 21-96, and 9384—Mis. F. 21-96, dated the 10th February 1898, under the Epidemic Diseases Regulations.

No. Pg. 1133, dated 4th February 1899.

Whereas the Government of Mysore are satisfied that there is danger of an outbreak of bubonic plague at Siddapur in Belur taluk, Hassan district, if people from the Bombay Presidency and other infected areas are permitted to visit Siddapur on the occasion of Pushpagiri Mallikarjuna Swami car festival, which will take place from 20th to 23rd March 1899.

In exercise of the powers vested in them under Section 2, Sub-Section 1, of the Epidemic Diseases Regulation No. II of 1897, the Government of Mysore are pleased to direct that no person from plague-infected areas shall be permitted to visit Siddapur from 20th to 23rd March 1899 (both days inclusive).

No. Pg. 1184, dated Bangalore, 10th February 1899.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to prescribe the following Regulations to be observed in the City of Mysore :—

I. From the date of this Notification, no person shall leave the Mysore City by rail unless he has provided himself with either a disinfection certificate (in Form B attached), or a certificate of exemption from disinfection (in Form C attached) in addition to the pass described in Regulation 9 of the Additional Regulations for the Cities of Bangalore and Mysore, published under Notification No. 2729—M. F. 21-96, dated 27th August 1898 (as subsequently amended, Appendix B). The booking clerks at the Mysore Railway Station shall issue no ticket unless, with the fare, is tendered the pass and also one or other of the certificates just mentioned.

Provided that this regulation shall not operate in the case of—

- (a) Mysore or British Government or Railway officials, travelling on duty, who can satisfactorily establish their identity,
- (b) persons holding through tickets and who have not been in Mysore for more than 6 hours.

II. Commencing from the date mentioned in the previous regulation, no person shall be booked outwards from the Mysore direction at any of the following stations, *viz.*—

Paschimavahini, Seringapatam, and Kadakola, unless he is in possession of a pass and also a certificate of exemption from disinfection (in Form C attached).

Provided that this regulation shall not operate—

- (i) in the case of Mysore or British Government officials travelling on duty, who can satisfactorily establish their identity,
- (ii) in the case of persons holding through tickets and who have not been in Mysore for more than 6 hours, and
- (iii) at the Stations of Paschimavahini, Seringapatam and Kadakola, in the case of persons who can produce a certificate from the Amildar or other local authority including—

- (a) Local Medical Officer,
- (b) Station House Officer,
- (c) Patel or Shambhog,
- (d) Shekdar of the hobli,

that they have not within the past ten days resided within or visited an infected area.

III. Disinfection certificates referred to in Regulation I can be obtained in the manner prescribed in the attached rules (Appendix A), wherein also the time, place and mode of disinfection as well as the articles liable to be disinfected, are described. After disinfection each person will receive a certificate stating that he or she has been disinfected, signed by the officer in charge of disinfecting arrangements appointed by the Government, and will be required to remain in the disinfection camp until shortly before the departure of the train.

IV. The Officers authorised to grant passes and certificates of exemption from disinfection are—

- (i) The Senior Surgeon and Sanitary Commissioner to the Government of Mysore.
- (ii) The Chief Plague Officer, Mysore City.
- (iii) The President or Vice-President, City Municipality, at the Town Hall, between the hours of 2 and 5 P. M.
- (iv) The Health Officer, Mysore City, at his office in the Town Hall, between the hours of 2 and 5 P. M.
- (v) The Ward Officer, No. I Ward, at his office in the old Taluk Cutcherry, between the hours of 2 and 5 P. M.
- (vi) The Ward Officer, No. II Ward, at his office in the Sita Vilas Dharmasala, between the hours of 2 and 5 P. M.
- (vii) The Ward Officer, No. III Ward, at his office opposite to the Gordon Hotel, between the hours of 2 and 5 P. M.

V. The officer empowered to grant certificates of exemption may dispense with the personal attendance of applicants in the case of ladies or children, on whose behalf application may be made by a male member of their family. The officers appointed by the Government for the duty of granting certificates of exemption from disinfection, have power for sufficient reason to refuse to grant such certificates.

VI. Special passes will be inoperative unless availed of within 3 days from date of issue and certificates shall be valid only for 48 hours commencing from the time at which they were granted. Such time shall be recorded thereon, and it shall be the duty of the booking clerks to ascertain, before issuing any ticket, that the pass or certificate presented to them is still valid.

VII. The luggage of persons desirous of leaving the Mysore City by rail shall be dealt with as follows:—

- (a) in the case of persons who are not in possession of certificates of exemption from disinfection, it shall be disinfected as provided in the attached rules (Appendix A). No such person shall take into the Railway Station or receive at any of the Stations mentioned in Regulation II any luggage or bundle which has not been disinfected.
- (b) in the case of persons who have obtained certificates of exemption from disinfection, or who are British or Mysore Government or Railway officials travelling on duty, or who hold through ticket and have not been in Mysore for more than 6 hours, it shall be taken on to the platform by station registered coolies, and a declaration shall be handed by the passenger to the luggage clerk to the effect that neither the luggage to be weighed, nor that in possession of the passenger, contains any portion of the luggage of a person who has not obtained a certificate of exemption from disinfection, and whose luggage is consequently liable under the preceding clause and the attached rules to disinfection. Without such a declaration the luggage clerk shall not book the luggage.

RULES FOR DISINFECTION CAMP.

(Appendix A, referred to in Regulations III and VII.)

1. The place of disinfection for persons leaving Mysore by rail shall be the shed on the Mysore Railway Station premises hereinafter called the disinfection camp.

2. Persons desirous of being disinfected must attend the disinfection camp with the luggage which they wish to take with them out of Mysore.

161
3. The camp will be open for disinfection of persons and their luggage daily from 5 to 10 A. M., and from 3 to 6 P. M. In the case of all trains it will suffice if passengers desirous of proceeding thereby attend the camp 1½ or 2 hours before the train is timed to start.

4. After disinfection all persons shall be conducted in sufficient time to enable them to purchase tickets before the train starts.

5. No person after disinfection shall receive any luggage or parcel from any one outside the disinfection camp. Any person evading this rule will not be allowed to purchase a ticket unless he has again been disinfected with his luggage. Any person failing to proceed by the first train after disinfection shall be required immediately to deliver up the disinfection certificate in his possession and shall, if he desire to proceed by any subsequent train, be subjected to a second disinfection unless he does not leave the Railway Station premises. Travellers are advised to retain their disinfection certificates until the inspection stations in Mysore have been passed.

6. Disinfection shall be carried out by washing the hands and feet of the person with disinfection solution. The solution to be water, either warm or cold, as preferred, mixed with Jeye's fluid or carbolic acid of strength 1 in 100.

7. Female attendants will be provided for women, and arrangements will be made for the strict preservation of their "*goshu*."

8. All luggage which those persons who are required by these Regulations to obtain disinfection certificates before they can be permitted to proceed by rail, desire to take with them by train, will be disinfected in the following manner:—

- i. Each package, box, or bundle, shall be opened out and examined. All articles excepting food stuffs, costly silks, clean clothes, expensive cloths, or leather goods, shall be put into a gunny bag, a separate bag being provided for each passenger or family, a metal number shall be attached thereto, a duplicate being given to the owner of the contents. The bag and its contents shall then be placed in a cylinder and subjected for 20 minutes to a steam pressure of 20 lbs. to the square inch.
- ii. Costly silks, leather goods, good clothes or expensive cloths shall be disinfected either by being washed in a solution of perchloride of mercury 1 in 1,000 or by being exposed to the sun, or in such other manner as is in the opinion of the officer in charge of disinfection best calculated to thoroughly disinfect without damaging them.

When the disinfection above described has been completed, the duplicate metal number shall be taken from the owner of the goods so disinfected and his luggage restored to him.

APPENDIX B.

9. Special Passes may also be given freely, especially at the beginning of an epidemic, when the President or other Plague Authority is satisfied that no case of plague has occurred in the house of the applicant, or in any adjacent house, or among any of his relations or associates, provided that the above named officers may always require the disinfection in a prescribed manner of all clothes and other articles to be taken away before a pass is given. When the applicant is known or suspected to have been exposed to infection, no Officer shall grant a pass until the applicant has been kept under medical observation (1) for a period which may extend to ten days, or (2) until the reasons for suspicion have disappeared. In such cases disinfection of clothes, &c., should always be insisted on. In this rule "applicant" includes all the persons in a household on whose behalf a Special Pass is applied for.

Special Passes issued under these Regulations (Appendix—Form III) will be inoperative unless availed of within three days from

No. Pg. 1133, dated 4th February 1899.

Whereas the Government of Mysore are satisfied that there is danger of an outbreak of bubonic plague at Siddapur in Belur taluk, Hassan district, if people from the Bombay Presidency and other infected areas are permitted to visit Siddapur on the occasion of Pushpagiri Mallakarjunaswami festival, which will take place from 20th to 23rd March 1899.

In exercise of the powers vested in them under Section 2, Sub-Section 1, of the Epidemic Diseases Regulation No. II of 1897, the Government of Mysore are pleased to direct that no person from plague-infected areas shall be permitted to visit Siddapur from 20th to 23rd March 1899 (both days inclusive).

No. Pg. 1184, dated Bangalore, 10th February 1899.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to prescribe the following Regulations to be observed in the City of Mysore:—

I. From the date of this Notification, no person shall leave the Mysore City by rail unless he has provided himself with either a disinfection certificate (in Form B attached), or a certificate of exemption from disinfection (in Form C attached) in addition to the pass described in Regulation 9 of the Additional Regulations for the Cities of Bangalore and Mysore, published under Notification No. 2729—M. E. 21-96, dated 27th August 1898 (as subsequently amended, Appendix B). The booking clerks at the Mysore Railway Station shall issue no ticket unless, with the fare, is tendered the pass and also one or other of the certificates just mentioned.

Provided that this regulation shall not operate in the case of—

- (a) Mysore or British Government or Railway officials, travelling on duty, who can satisfactorily establish their identity,
- (b) persons holding through tickets and who have not been in Mysore for more than 6 hours.

II. Commencing from the date mentioned in the previous regulation, no person shall be booked outwards from the Mysore direction at any of the following stations, viz.—

Paschimavabini, Seringapatam, and Kadakola, unless he is in possession of a pass and also a certificate of exemption from disinfection (in Form C attached).

Provided that this regulation shall not operate—

- (i) in the case of Mysore or British Government officials travelling on duty, who can satisfactorily establish their identity,
- (ii) in the case of persons holding through tickets and who have not been in Mysore for more than 6 hours, and
- (iii) at the Stations of Paschimavabini, Seringapatam and Kadakola, in the case of persons who can produce a certificate from the Amildar or other local authority, including—

- (a) Local Medical Officer,
- (b) Station House Officer,
- (c) Patel or Shanbhog,
- (d) Shekdar of the hobli,

that they have not within the past ten days resided within or visited an infected area.

III. Disinfection certificates referred to in Regulation I can be obtained in the manner prescribed in the attached rules (Appendix A), wherein also the time, place and mode of disinfection as well as the articles liable to be disinfected, are described. After disinfection each person will receive a certificate stating that he or she has been disinfected, signed by the officer in charge of disinfecting arrangements appointed by the Government, and will be required to remain in the disinfection camp until shortly before the departure of the train.

IV. The Officers authorised to grant passes and certificates of exemption from disinfection are—

- (i) The Senior Surgeon and Sanitary Commissioner to the Government of Mysore.
- (ii) The Chief Plague Officer, Mysore City.
- (iii) The President or Vice-President, City Municipality, at the Town Hall, between the hours of 2 and 5 P. M.
- (iv) The Health Officer, Mysore City, at his office in the Town Hall, between the hours of 2 and 5 P. M.
- (v) The Ward Officer, No. I Ward, at his office in the old Taluk Cutcherry, between the hours of 2 and 5 P. M.
- (vi) The Ward Officer, No. II Ward, at his office in the Sita Vilas Dharma-sala, between the hours of 2 and 5 P. M.
- (vii) The Ward Officer, No. III Ward, at his office opposite to the Gordon Hotel, between the hours of 2 and 5 P. M.

17A

V. The officer empowered to grant certificates of exemption may dispense with the personal attendance of applicants in the case of ladies or children, on whose behalf application may be made by a male member of their family. The officers appointed by the Government for the duty of granting certificates of exemption from disinfection, have power for sufficient reason to refuse to grant such certificates.

VI. Special passes will be inoperative unless availed of within 3 days from date of issue and certificates shall be valid only for 48 hours commencing from the time at which they were granted. Such time shall be recorded thereon, and it shall be the duty of the booking clerks to ascertain, before issuing any ticket, that the pass or certificate presented to them is still valid.

VII. The luggage of persons desirous of leaving the Mysore City by rail shall be dealt with as follows:—

- (a) in the case of persons who are not in possession of certificates of exemption from disinfection, it shall be disinfected as provided in the attached rules (Appendix A). No such person shall take into the Railway Station or receive at any of the Stations mentioned in Regulation II any luggage or bundle which has not been disinfected.
- (b) in the case of persons who have obtained certificates of exemption from disinfection, or who are British or Mysore Government or Railway officials travelling on duty, or who hold through ticket and have not been in Mysore for more than 6 hours, it shall be taken on to the platform by station registered coolies, and a declaration shall be handed by the passenger to the luggage clerk to the effect that neither the luggage to be weighed, nor that in possession of the passenger, contains any portion of the luggage of a person who has not obtained a certificate of exemption from disinfection, and whose luggage is consequently liable under the preceding clause and the attached rules to disinfection. Without such a declaration the luggage clerk shall not book the luggage.

RULES FOR DISINFECTION CAMP.

(Appendix A, referred to in Regulations III and VII.)

1. The place of disinfection for persons leaving Mysore by rail shall be the shed on the Mysore Railway Station premises hereinafter called the disinfection camp.

2. Persons desirous of being disinfected must attend the disinfection camp with the luggage which they wish to take with them out of Mysore.

3. The camp will be open for disinfection of persons and their luggage daily from 5 to 10 A. M., and from 3 to 6 P. M. In the case of all trains it will suffice if passengers desirous of proceeding thereby attend the camp $1\frac{1}{2}$ or 2 hours before the train is timed to start.

4. After disinfection all persons shall be conducted in sufficient time to enable them to purchase tickets before the train starts.

5. No person after disinfection shall receive any luggage or parcel from any one outside the disinfection camp. Any person evading this rule will not be allowed to purchase a ticket unless he has again been disinfected with his luggage. Any person failing to proceed by the first train after disinfection shall be required immediately to deliver up the disinfection certificate in his possession and shall, if he desire to proceed by any subsequent train, be subjected to a second disinfection unless he does not leave the Railway Station premises. Travellers are advised to retain their disinfection certificates until the inspection stations in Mysore have been passed.

6. Disinfection shall be carried out by washing the hands and feet of the person with disinfection solution. The solution to be water, either warm or cold, is preferred, mixed with Jeye's fluid or carbolic acid of strength 1 in 100.

7. Female attendants will be provided for women, and arrangements will be made for the strict preservation of their "gosha."

8. All luggage which those persons who are required by these Regulations obtain disinfection certificates before they can be permitted to proceed by rail, are to take with them by train, will be disinfected in the following manner:—

95

- i. Each package, box, or bundle, shall be opened out and examined. All articles excepting food stuffs, costly silks, clean clothes, expensive cloths, or leather goods, shall be put into a gunny bag, a separate bag being provided for each passenger or family, a metal number shall be attached thereto, a duplicate being given to the owner of the contents. The bag and its contents shall then be placed in a cylinder and subjected for 20 minutes to a steam pressure of 20 lbs. to the square inch.
- ii. Costly silks, leather goods, good clothes or expensive cloths shall be disinfected either by being washed in a solution of perchloride of mercury 1 in 1,000 or by being exposed to the sun, or in such other manner as is in the opinion of the officer in charge of disinfection best calculated to thoroughly disinfect without damaging them.

When the disinfection above described has been completed, the duplicate metal number shall be taken from the owner of the goods so disinfected and his luggage restored to him.

APPENDIX B.

9. Special Passes may also be given freely, especially at the beginning of an epidemic, when the President or other Plague Authority is satisfied that no case of plague has occurred in the house of the applicant, or in any adjacent house, or among any of his relations or associates, provided that the above named officers may always require the disinfection in a prescribed manner of all clothes and other articles to be taken away before a pass is given. When the applicant is known or suspected to have been exposed to infection, no Officer shall grant a pass until the applicant has been kept under medical observation (1) for a period which may extend to ten days, or (2) until the reasons for suspicion have disappeared. In such cases disinfection of clothes, &c., should always be insisted on. In this rule "applicant" includes all the persons in a household on whose behalf a Special Pass is applied for.

Special Passes issued under these Regulations (Appendix—Form III) will be inoperative unless availed of within three days from

The following Notification No. 3361-I. A., dated the 23rd December 1898, issued by the Government of India, Foreign Department, is republished for general information :—

In exercise of the powers conferred by Section 11 of the Foreign Jurisdiction and Extradition Act, 1879 (XXI of 1879), the Governor-General in Council is pleased to declare that a Political Agent may issue a warrant for the arrest and surrender of any person accused of having done in any State against the law of such State an act which would, if done in any part of British India where the Criminal Tribes Act, 1871 (XXVII of 1871), is for the time being in force, have constituted an offence against any of the provisions of the latter Act.

No. Pg. 1241, dated 18th February 1899.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to make the following Regulation, and to direct that it be added as Regulation 9 A to the original Mofussil Regulations published with Notification No. 9383—Mis. F. 21-96, dated the 10th February 1898.

- (1) *Demolition of buildings.*—If in the opinion of the Deputy Commissioner, or of the District Plague Officer or District Medical Officer any building (not being a hut or shed) which has been vacated or which has been dealt with under any of the foregoing Regulations, cannot be adapted to the Sanitary requirements of a dwelling or is otherwise permanently unfit for human habitation, or if its existence is a source of danger, the Deputy Commissioner or District Plague Officer may have the same or any part thereof demolished.
- (2) *Valuation.*—Prior to any such building being demolished, the Deputy Commissioner, District Plague officer, or other officer authorized by the Deputy Commissioner in this behalf shall cause the same or such part thereof as he may consider necessary to demolish, to be surveyed and its value at the time to be assessed by such person as the Deputy Commissioner may by name or by virtue of office appoint for that purpose, and shall, by written notice, affix, on some conspicuous part of such building, the date (not being less than 7 days from the date of such notice) and the hour at which the building will be surveyed and assessed as aforesaid, and the work of demolition shall not be commenced until the building or portion thereof has been surveyed and the value so assessed. The valuation of such building by such officer shall be final and conclusive, and the owner shall be entitled to receive the amount thereof (which shall be provided out of the Municipal or District Funds as the Deputy Commissioner may decide) but he shall not be entitled to receive any further or other sum by way of compensation.
- (3) *Building materials.*—The materials of any building or part of a building demolished as aforesaid shall be the property of the Municipal Board or District Fund Board as the case may be and shall be removed and disposed of or, if necessary, destroyed, as may be directed by the Deputy Commissioner of the district.
- (4) *Rule of assessment.*—In assessing the value of any building regard shall be had only to the then actual market value of the structure; and no allowance shall be made, nor shall any compensation be paid, for compulsory demolition or otherwise.
- (5) *Adjournment.*—In the event of the person appointed to assess as above, being unable to complete the surveys and valuations of the houses at the hour and on the date for which notices have been issued, he shall have power to arrange with the owners of the buildings concerned to complete them on some subsequent date or dates convenient to both parties, without further reference to the Deputy Commissioner, District Plague Officer, or other officer authorized by the Deputy Commissioner as above.
- (6) *Saving clause.*—The provisions of this Regulation are not intended to, and shall not operate to, limit in any way powers which the Deputy Commissioner may possess independently of the powers hereby conferred.

No. Pg. 1259, dated 20th February 1899.

No. Pg. 1282, dated 21st February 1899.

The following Notification No. 776—P., dated the 18th February 1899, issued by the Resident in Mysore, is republished for general information.

No. 776 P., dated Bangalore, the 18th February 1899.—In supersession of his Notification No. 334—P. of 12th January 1899, the Resident is pleased under Section 2 cl. (b) of the Epidemic Diseases Act III of 1897 to direct that all persons arriving in the Civil and Military Station by road shall report themselves to the medical officer of the district in which they intend to reside within twenty-four hours of their arrival. The District Medical Officer may, in his discretion, give a written notice to such persons requiring them to attend at his office for such number of days not exceeding ten as he thinks fit. A person holding an inoculation certificate, dated within six months previously, will be obliged to report himself to the medical officer within twenty-four hours of his arrival, but will not be liable to again attend at the District Medical Office.

2. In the case of persons arriving at the Bangalore City and Cantonment Railway Stations, who intend to reside within the limits of the Civil and Military Station, the medical or other officer appointed by the Resident in this behalf may demand of the person so arriving, his name, usual abode, and particulars of the places in which he has resided or which he has visited during the previous fifteen days, and also the address to which he is about to proceed, and any other particulars which the medical or other officer may think fit to ask in view of satisfying himself as to the likelihood of the said persons spreading the infection of plague. A person so interrogated shall be bound to answer truly to the best of his knowledge and belief all such questions and enquiries.

3. The medical or other officer, appointed by the Resident under Regulation 2 of this Notification, may serve such person with a notice requiring him to report himself at the office of the District Medical Officer within whose district he is about to reside, (or to the special plague officer, Mayo Hall) within 24 hours, and to attend as subsequently directed by the District Medical Officer or Special Plague Officer. If any such person cannot, in the opinion of such medical or other officer appointed under Regulation 2 above, be relied on to report himself as directed, he may be sent by the medical or other officer to the office of the medical officer within whose district he is about to reside, under escort of a police constable, and may remain under such escort until his intended place of residence shall be satisfactorily ascertained.

Provided that no person holding a certificate of inoculation, dated within six months previously, will be required, unless he is unable to clearly indicate his intended place of residence, to report himself at the office of the District Medical Officer, or to the Special Plague Officer, Mayo Hall, but notice of his arrival will be sent by the medical or other officer at the Railway Station to the Medical Officer of the District in which he is about to reside, and he may be required to be present in his residence on such day and at such time as the District Medical Officer may appoint.

4. The District Medical Officer may direct any person who has come or is believed to have come from an infected area to undergo disinfection with his belongings.

5. Persons alighting at the Cantonment Station, who intend to reside within the limits of Bangalore City, may be directed by the medical or other officer appointed under Regulation 2 above, to report themselves to the ward officer of the ward in which they intend to reside, and may be sent to the ward officer under the escort of the Mysore State Police.

6. Nothing in these regulations shall require females who do not appear in public to be interrogated by any person other than a female at the Railway station, or to attend at any office, but they may be examined in their houses by females deputed by the District Medical Officer for the purpose.

7. Any person disobeying or contravening or refusing to submit himself to any of these regulations shall be deemed to have committed an offence punishable under Section 188 of the Indian Penal Code and shall be liable, upon conviction, to undergo imprisonment of either description for a term which may extend to six months, or with fine which may extend to one thousand rupees, or with both.

Objections and suggestions in respect of the draft amendments submitted before the date above prescribed will be duly considered.

Draft of amendments of Rules under the Explosives Regulation, 1888.

Rule 18 (1). Instead of the words "and the site thereof" insert the following :—

"and a plan of the site thereof, on a scale of not less than 1 inch to 66 feet, showing the details specified in clause (2), (a) and (b)."

For Rule 33. XXII the following amendment is proposed :—

"If the waggons employed in the transport of explosive, or the vehicles immediately adjoining them, are provided with brakes other than foot brakes, the brakes shall on no account be worked while such waggons are running."

Rule 42. The following additions to this rule are proposed :—

After the words "shall be bound to produce the same" insert—

"an authenticated copy which shall be kept at the magazine or place to which it applies ;"

and insert —

"copies of licenses may, for the purpose of this rule, be authenticated by any of the officers aforesaid or by the authority granting them."

Rule 43. The following amendment is proposed :—

"The officers herein undermentioned are authorized, within the areas respectively specified below—

(a) to enter, inspect and examine any house, erection or other place or any cart, truck, boat or other vehicle in which explosive is being manufactured, possessed, used, sold or transported, or in which they have reason to believe that explosive is being manufactured, possessed, used, sold or transported ;

(b) to search for explosives therein ;

(c) to take samples of any explosives found therein on payment of the value thereof ;

(d) at their discretion to seize, detain, remove and, if necessary for the public safety, destroy any explosive found therein in respect of which there is reason to believe that the provisions of the Regulation or of these rules have been contravened.

provided that—

(1) whenever any such officer detains or removes any such explosive, he shall report the fact to the District Magistrate ; and

(2) he shall not destroy any such explosive without the previous sanction of the District Magistrate.

Areas.—

In all parts of Mysore

Officers.—

The Chief Inspector of Explosives in Mysore or any person specially deputed in this behalf by the Government of Mysore.

In places where explosives are used for mining purposes.

The Chief Inspector of Mines. The Inspector and Deputy Inspector of Mines.

Within their respective districts

All District Magistrates and any Subordinate Magistrate or Police officer not below the rank of Inspector, deputed in this behalf by the District Magistrate."

Form A. Condition 4. For "lightly constructed building" substitute "lightly constructed, one-storied building"—

Condition 7, 2nd proviso—

NOTIFICATIONS BY THE GOVERNMENT OF MYSORE.

GENERAL AND REVENUE.

No. Pg. 1815, dated 9th June 1899.

In exercise of the powers vested in them under Section 2, Sub-Section 1, of the Epidemic Diseases Regulation No. II of 1897, the Government of Mysore are pleased to prohibit persons from infected areas from attending the undermentioned jatra at the place and on the dates specified against it:—

Name of jatra.	Where held.	Taluk.	Date.	
			From	To
Krishnaraja Tirunalu jatra ..	Melkote ..	French Rocks sub-taluk.	20th July 1899.	31st July 1899.

No. Pg. 1833, dated 13th June 1899.

It is hereby notified for general information that the taluk of Tumkur, declared to be an "infected area" in Government Notification No. Pg. 1412, dated the 8th March 1899, having been free from plague from the 11th April 1899, is removed from the list of such areas.

No. Pg. 1844, dated 16th June 1899.

It is hereby notified for general information that the sub-taluk of Closepet, declared to be an "infected area" in Government Notification No. Pg. 482, dated 17th November 1898, as amended by No. Pg. 648, dated 12th December 1898, having been free from plague from the 2nd May 1899, is removed from the list of such areas.

No. Pg. 1865, dated 26th June 1899.

Under Article 188 of the Mysore Service Regulations, Mr. P. R. W. Wetherall, Sub-Divisional Officer, Saklespur, now Chief Plague Officer, Mysore City, is granted privilege leave of absence for one month and twenty-one days, with effect from 1st July 1899 or such other date as he may avail himself of the same.

2. Mr. P. S. Atchyuta Rao, Health Officer, Mysore City, is appointed to act as Chief Plague Officer in addition to his own duties during the absence of Mr. Wetherall on leave of until further orders.

No. Pg. 1872, dated 27th June 1899.

The exception made as regards the City of Bangalore under clause i (d) of Regulation 32 of the Regulations under the Epidemic Diseases Regulation, 1897, for municipalities other than those of the Cities of Bangalore and Mysore, and for towns and villages, and of Regulation 20 of the Regulations for the Cities of Bangalore and Mysore, is hereby cancelled.

And a new clause iv is added to Regulation 32 of the Regulations for municipalities other than those of the Cities of Bangalore and Mysore and for towns and villages, and to Regulation 20 of the Regulations for the Cities of Bangalore and Mysore, as follows:—

“iv. In the City of Bangalore, in cases falling under clause II, patients and the other inmates of an infected house will be removed to hospital and contact camps, respectively, only in the early stages of the plague, that is to say, so long as the disease has not, in the opinion of the Government, assumed an epidemic form.”

No. Pg. 1874, dated 27th June 1899.

A few cases of plague having recently occurred in the City of Bangalore, it is hereby notified to the public that the Government of Mysore has resolved as a matter of general future policy to abolish compulsory segregation in the City of Bangalore. Accordingly, neither patients nor contacts will be removed to hospital or camp against their will, except in the early stages of plague, that is to say, before the disease has assumed an epidemic form, and while there is hope of the isolation of a small number of sick and contacts checking it from spreading.

The timber can be inspected on application to the Range Officers. It will be stored in depôts by about the end of January 1899.

2. Each tender must be accompanied by a deposit of Rs. 100 in Currency Notes, half notes will not be accepted.

3. Tenders must be submitted in the accompanying form. They must be in sealed and registered covers superscribed "Tender for Timber." Forms may be had on application to the undersigned.

4. The rates tendered for the timber in the two Ranges must be separately entered in the accompanying form.

5. Tenders will be opened by the District Forest Officer on the 10th February 1899 at Manantoddy.

6. The undersigned reserves the right to reject any tender wholly or in part.

7. Successful tenderers will, within one week from the acceptance of their tenders, be required to deposit 25 per cent of their purchase and to execute at Manantoddy a formal contract, of which the principal conditions will be:—

(a) No allowance will be granted for flaws and cracks.

- (b) Departmental measurements must be accepted without question, unless any log contain a deficiency of more than 2 cubic feet.
- (c) Delivery of all logs purchased to be taken before 20th March 1899.
- (d) Full payment for the whole amount purchased to be made before 31st March 1899.
- (e) No timber to be removed until it is paid for and a permit issued by the Range Officer for its removal.
- (f) After delivery is taken the timber will lie in the forests entirely at the purchaser's risk.
- (g) All departmental regulations regarding camping, lighting of fires, &c., to be strictly observed.
8. A road will shortly be made from Gundri to the Mysore-Tellicherry road near Kakenkottai, which will greatly facilitate the removal of the Chedalth timber.
9. Plenty of time will be allowed for the removal of the timber.

District Forest Officer, North Malabar.

KOLAR DISTRICT.
The 13th December 1898.

It is hereby notified that in satisfaction of arrears of land revenue due by Pattabhi Shastri, revenue defaulter, the undermentioned immovable property will be sold by public auction at the office of the Amildar of the Sidlaghatta taluk, Kolar district, on the 1st February 1899. The sale will commence at 11 A. M., and the property will be knocked down to the highest bidder without reserve.

2. The amount of revenue payable by the purchaser on the property for the whole of the year 1897-98 is Rs. 126-15-0, as shown in detail in the statement at foot besides interest up to date, notice fees, &c.

3. Purchasers will be required to deposit twenty-five per cent of the purchase money at the time of sale, and where the remainder of the purchase money may not be paid within fifteen days from the day of the sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made nor the remaining purchase money paid up, the property shall be resold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents, and in the latter case to deposit a written authority signed by their principals; otherwise their bids may be rejected.

6. The sale shall be stayed if the defaulter, or any person acting on his behalf or claiming an interest in the property, tenders the full amount of the arrears of revenue with the interest and other charges, provided such tender be made before the property is knocked down.

7. The sale of the property will not become absolute until confirmed by the Deputy Commissioner.

8. Purchasers having completed the payment of the purchase money will, as soon as the sale has been confirmed by the Deputy Commissioner, be placed in immediate possession and the property will be registered in the name of the purchaser, and a certificate of sale signed and sealed by the Deputy Commissioner will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description or in estimated extent.

9. Provided, parties deeming themselves aggrieved by the sale, shall be at liberty to appeal to the Deputy Commissioner within thirty days from the day of sale, and also to appeal to Government against his order within the time prescribed by law, and the purchase shall be conditional on the final order in such appeal.

M. SUBBA RAO, *Offg. Exec. Engr.*

HESSARGHATTA WATER-SUPPLY DIVISION.

Notice is hereby given that sealed tenders will be received at the Executive Engineer's office, Hessarghatta Water-supply Division, up to 2 P. M. of the 25th January 1899, for supplying 1,000 tons of casuarina fuel at the Pumping Station at Soldevanhalli near Chikbanavar, Nelamangala taluk, as per specification noted in para 8.

2. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer.

3. Each tender must be accompanied by a deposit of rupees five hundred in cash or in Government Promissory Notes, as earnest money, and be superscribed "Tenders for supplying casuarina fuel to the Pumping Station at Soldevanhalli," in default of which tenders will be rejected.

4. The final acceptance of any tender will rest with Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders the earnest money on rejected tenders will be returned.

SPECIFICATION.

8. The wood to be solely casuarina and to be in straight lengths.

The maximum and minimum dimensions which will be accepted are given below :—

	LENGTH.		THICKNESS.	
	Maximum.	Minimum.	Maximum.	Minimum.
Running wood	24"	18"	8"	3"
Lighting wood	24"	12"	3"	1½"

One per cent of the quantity supplied may be of the dimensions specified for lighting wood, the remainder being of the dimensions specified for running wood. The billets are to be sawn to lengths, not chopped.

The wood to be stacked by the contractor in the portions approved by the Executive Engineer, or his representatives. Lighting and running wood to be stacked separately.

Stacks must be of rectangular shape. The sides being vertical and straight, and the tops level: the wood must be laid evenly straight and close, the pieces composing the walls must be laid at right angle to the direction of such walls, having first been sawn to an uniform length as above: the interior of the stacks must be packed as closely as possible, the pieces being regularly laid with their lengths all in the one direction which leave no vacant space.

The stacks to be built of such dimensions that the cubical measurements of each is a multiple of 68 cubic feet.

17 feet by 8 feet by 5 feet=680 cubic feet=10 tons.

17 feet by 16 feet by 5 feet=1,360 cubic feet=20 tons.

34 feet by 20 feet by 5 feet=3,400 cubic feet=50 tons.

sixty-eight feet of closely stacked wood will be accepted as equivalent to one ton.

The Executive Engineer or his representatives will inspect the wood as it is being stacked, and shall have power to reject any pieces that are hollow, rotten, crooked or otherwise unsuitable for fuel for engines; he will also satisfy himself that the pieces are in accordance with the dimensions specified above, and that the stacks are built as required; he shall also have power to reject any stacks which do not, in all respects, comply with the terms of this specification.

The wood must be, at the risk of the contractor until it is stacked, approved, measured and accepted by the Executive Engineer or his representatives.

When stacks are taken over, the contractor or his representative must be present during the measurement and must sign the record of measurement made by the Executive Engineer or his representatives, in token of his agreement to the corrections thereof.

The quantity required is 1,000 tons, of which 200 tons should be delivered by 30th April 1899, and the remainder at the rate of 120 tons per month from 1st May 1899.

Payments will be made monthly for all wood taken over by the Engineer in charge; a reserve of 5 per cent being however withheld on all bills as a guarantee for the fulfilment of the contract.

Should the contractor fail to deliver the wood as above stated, he will be liable to a fine of Rs. 2 per ton, for each ton his delivery may be short of the above mentioned quantity, or to cancellation of his contract or both, with loss of security deposit and of full amount of reserve withheld as guarantee fund.

V. RANGASWAMI IYENGAR, Executive Engr.

FRENCH ROCKS DIVISION.

The 23rd December 1898.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, French Rocks division, up to 16th January 1899 inclusive, for restoring the Honnavarahere-kere tank, Register No. 72, Nagamangala taluk.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of 30th June 1900.

2. The plans, detailed estimate, and conditions may be seen at the Executive Engineer's office at French Rocks, between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer and be accompanied by a statement, in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees two hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tenders for restoring Honnavarahere-kere tank, Nagamangala taluk," in default of which, tenders will be rejected.

5. The first acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Extract from the Memo of the Deputy Commissioner of the Bangalore district, received with his letter No. 667, dated 22nd December 1898.

The Amildar of Nelamangala visited Tyamagondlu on the 7th instant and saw only one individual by name Narasimiah suffering from plague. He caused the entire population to vacate their houses and to live in sheds outside the village. In a short time the whole town was evacuated, with the exception of a house belonging to a Muhammadan and the Police Station. The Amildar has arranged with the Police Inspector for the watch and ward of the property left in the deserted houses. In the sheds thus erected there were 8 deaths, besides 3 imported cases. The Plague Inspector and the Vaccinator of the Taluk have been deputed to do duty at Tyamagondlu.

2. The whole village of Begur has been evacuated and people are living in sheds outside the village. There have been 25 cases in the sheds and no cases at all for the last 2-3 days.

3. In Jodi Iverkandapur village there were 20 cases. The village is evacuated and there have been no cases of late.

4. In Nelamangala Kasba there have been 3 attacks and 2 deaths. A girl is now under treatment. The sick were immediately removed to the sheds and their houses duly disinfected. There have been no fresh cases since.

- No. I Ward Officer remarks that the case in his ward was imported from Sarjapur.
- No. II reports that one of the three cases was imported from Sarjapur, and another from the Civil and Military Station.
- No. IV does not make any observation.
- Our main difficulty now lies in getting on fast with disinfection and I am paying particular attention to this. There is difficulty in getting chuam.

Extract from the Diary of the District Plague Officer, Bangalore, for the week ending 17th December 1898.

Tuesday the 15th December 1898—Left Bangalore and rode out to Kaglipur. Since the outbreak of plague in this village there have been 19 attacks and 15 deaths. I am glad however to be able to say that since the 6th instant there have been *no more attacks*. This I consider is solely due to the fact that the village was completely evacuated by the people who are now living in huts in the fields. The roofs of infected houses have been removed in the village, and I have given instructions to have the floors dug up and burnt and all the houses in the place whitewashed before they are inhabited. There is not the least doubt that complete evacuation is the best of all remedies as has been proved in several cases now.

Extract from the Diary of the Chief Plague Officer, Bangalore City, dated 26th December 1898.

There now remain 8 deaths in No. IV Ward; of these 3 occurred in Dodmavalli, viz., 2 from fever and from labor all particularly the former very suspicious, having regard to the fact that 2 plague cases are also reported from the same place; 1 death in Gangammacheri and 1 in Subbaraya Matt from fever are also very suspicious; 1 in Koracharapalya from dropy; 1 in Kumbharpet from convulsions is suspicious; and 1 in Tigalarpet from old age. Enquiries will be made to-morrow about these deaths, but I have been so often disappointed in tracing them before that I do not hope for much success. There is however no doubt in my mind that a good proportion of these deaths are from plague which still exists in the outlying portions of our city and to which I fear people from adjoining infected localities flock without our knowledge. The supervisor in several places is still a fraud and the police equally bad.

Extract from the remarks of the Deputy Commissioner, Bangalore district, on the diary of the Amildar, Bangalore taluk, dated 29th December 1898.

"Dead rats having been found in the houses at Nagasandra near the Basavangudi Health Camp, the Amildar of Bangalore visited the village promptly. The whole village consisting of 60 houses was evacuated forthwith, the people building their own sheds in the fields, the poorer among the villagers being helped with materials for sheds by the Amildar."

Extract from the supplement to the diary of the Superintendent of Police, Mysore district, for the week ending Saturday, the 17th December 1898.

"* * * Raiyats have a lively knowledge of the danger of the infectious nature of this disease and use all possible measures in providing visitors with accommodation outside their village under the observation system of their own accord * * *

From—The Plague Commissioner in Mysore. To—The Deputy Commissioner, Bangalore district. No. 4934, dated 21st December 1898.

- I. In view to prevent the City of Bangalore from getting re-infected by persons returning to their houses from infected areas in the District and elsewhere, the Deputy Commissioner, Bangalore district is requested to impress on his subordinates the necessity for enforcing the Plague Regulations as specified below:—

- (1) Persons shall not leave a town or village where plague has become indigenous without a pass, (Sections 29-34 of the Additional Regulations, pp. 49 and 50 of the compilation).
- (2) Passengers entering the City of Bangalore shall be examined at the Inspection Stations or outposts. Such of them as are free from plague shall be served with observation notices or escorted to their place of destination (Regulation IV, Additional Regulations for the Cities of Bangalore and Mysore, p. 57 of the compilation). Persons suspected to be suffering from plague and those that are in direct contact with them shall be taken direct to the Magadi Road Plague Camp, where the sick will be put into the Hospital and the contacts placed in the contact camp or Health Camp according to the discretion of the Superintendent of the Camp.

(3) The Resident will be requested to re-institute examination of passengers both at Yesvantpur and Bangalore Cantonment and empower a Medical subordinate to receive at the Bangalore City Station such passengers as have to be watched and serve observation notices on them or remove them to the Camp according to the result of the examination at Yesvantpur and Cantonment.

(4) Arrangements will also be made for the inspection of in-coming passengers at Kengeri Station.

- II. The Deputy Commissioner is requested to issue strict orders with a view to ensure the adoption of measures (1) and (2). The Chief Plague Officer will be requested to arrange for systematic daily inspection through the Ward Medical Officers of all arrivals served with observation notices.

III. The advantages and privileges of inoculation which are now generally known will, it is hoped, induce all the people to get themselves inoculated.

Extract from Notes of Inspection of the Deputy Commissioner, Kolar district, dated Camp Bagepalli, dated 20th December 1898.

* * * 12—12—98. Looked up Chinsandra in the Chintamani taluk, where there were several indigenous cases of plague. There were in all 35 deaths mostly among the Mahomedan community, who number over 300. The villagers have completely evacuated the village and are now living in jopidies run up by themselves in the surrounding fields over $\frac{1}{2}$ a mile from the village site. Inquiring into the origin of the outbreak it was ascertained that a Mahomedan family from the Bangalore Cantonment arrived at the village in October last and put up in a mantap outside. There were two deaths from plague in this family, the surviving members of which were removed and segregated a mile away. The mantap was disinfected. About 10 days afterwards a girl named Muni, belonging to the family of the patel, went into it and swept it up and 2 or 3 days afterwards fell sick and died. Soon the whole village was infected, and it was not till there were some 15 or 20 deaths, which were put down to fever and ague, that inquiries were made and plague was found to be prevalent. There were six deaths amongst the Mahomedans and three in the Hindu community since the village was evacuated. The Mahomedan corpses were buried in quicklime and those of the Hindus, cremated. In all cases the jopidies were burnt where they stood and the earth dug up and burnt as well. Fresh jopidies were run up by the villagers at some distance off, and in these the contacts were segregated.

* * * 14—12—98. Looked up Kendenhalli where there were 2 suspected cases of plague, and found that as a precautionary measure the whole of the villagers as well as those of the Sonapalli and adjoining village had evacuated their villages and were camped out in the open; spoke to them as also the people of Chenasandra, who were subsequently looked up, and warned them of the great risk they would run if they occupied their houses before the latter and their contents were thoroughly disinfected to the satisfaction of the authorities; and explained to them how an infected house should be disinfected. They were further told that as soon as plague disappeared from amongst them they could occupy their houses, but before doing so, to inform the Amildar, who would be present with the Hospital Assistant and see that each house is thoroughly disinfected and whitewashed. They were encouraged to move freely in the open air and expose the clothing, &c., to the sun.

15—12—98. At Chikballapur, where the infected houses were looked up and found to have been disinfected and large holes made in the roofs to admit sunshine, air, &c. Two-thirds of the people have left the town and a large number of them are living out in the open in the surrounding fields under jopidies. Inspected the Segregation Camp, where 6 arrivals from Bangalore were under observation. Had a meeting of the people at the Travellers' Bungalow in the evening and had read and explained to them the notification regarding Home-Segregation and addressed them on the same lines as at Srinivaspur and Sidlaghatta. They expressed their willingness to do anything that was told them and appeared to realize the terrible nature of the disease.

17—12—98. The village Mudageri, Goribidnur taluk, has been wholly evacuated and the residents, including the *Shanbhog*, an old and intelligent man, who appears to have the confidence of the people and complete control over them, are now living out in the open as at Goribidnur, Channasandra and other places noted above.

Left in the afternoon for Dodkuregode Railway Station, where two cases of plague (imported from the Cantonment, one ending fatally and the other progressing towards recovery) were reported to have occurred at the musafirkhana near by, on the 29th of the last month. On enquiries instituted it was ascertained that the musafirkhana was occupied by Jamadar Abdul Satar, on plague duty, at the Railway Station, and his nephew Mahomed Abas Khan, Abkari Supervisor, and their respective families. Two Mahomedans from the Cantonment, relatives of the Jamadar arrived by train at Dodkuregode on the 23rd November and put up in the temporary thatched verandah at the back of the musafirkhana till the 26th November when they removed into the Jamadar's quarters. They stayed here till the evening of the 29th ultimo, when both of them developing plague, they were stealthily removed to the Police sheds, 3 of which were vacant. No report of this matter was made by the Jamadar and it only came to light when the circumstances were reported by the Constables on plague duty. The Jamadar has been suspended and both he and the Supervisor have been ordered to be prosecuted under Section 188, Indian Penal Code.

18—12—1898. It is satisfactory to note from a report received this day, from the Amildar of Chintamani, that plague is subsiding at Chinsandra and Kendenhalli, as there were no fresh attacks since the past week or ten days. It was also satisfactory to note that throughout the Goribidnur taluk, the villagers when questioned appeared to know exactly what to do and to take an intelligent interest in things generally and which proved that the Amildar of that taluk had done well in moving about and explaining matters to them and that they appeared to thoroughly appreciate the recent orders of Government and able to take care of themselves, as was generally found to be the case throughout the district.

From the Plague Commissioner in Mysore, to the Deputy Commissioner, Bangalore District,
No. 4934, dated Bangalore, 21st December 1898.

I. In view to prevent the City of Bangalore from getting re-infected by persons returning to their houses from infected areas in the district and elsewhere, the Deputy Commissioner, Bangalore district, is requested to impress on his subordinates the necessity for enforcing the Plague Regulations as specified below :—

- (1) Persons shall not leave a town or village where plague has become indigenous without a pass (Sections 29-34 of the Additional Mofussil Regulations pp. 49 and 50 of the compilation.)
- (2) Passengers entering the City of Bangalore shall be examined at the Inspecting Stations or Out-posts. Such of them as are free from plague shall be served with Observation Notices or escorted to their place of destination (Regulation IV (i), Additional Regulations for the Cities of Bangalore and Mysore, p. 57 of the compilation). Persons suspected to be suffering from plague and those that are in direct contact with them shall be taken direct to the Magadi road Plague Camp where the sick will be put into the Hospital and the contacts placed in the Contact Camp or Health Camp according to the discretion of the Superintendent of the Camp.
- (3) The Resident will be requested to re-institute examination of passengers both at Yesvantpur and Bangalore Cantonment and empower a Medical subordinate to receive at the Bangalore City Station such passengers as have to be watched and serve Observation Notices on them or remove them to the Camp according to the result of the examination to Yesvantpur and Cantonment.
- (4) Arrangements will also be made for the inspection of incoming passengers at Kengeri Station.

II. The Deputy Commissioner is requested to issue strict orders with a view to ensure the adoption of measures (1) and (2). The Chief Plague Officer will be requested to arrange for systematic daily inspection through the Ward Medical Officer, of all arrivals served with Observation Notices.

III. The advantages and privileges of inoculation which are now generally known will, it is hoped, induce all the people to get themselves inoculated.

Fort St. George Gazette, dated Tuesday the 20th December 1898.

No. 1026.—Whereas the Governor of Fort St. George in Council is satisfied that there is a danger of an outbreak of plague at Kizhoor in the Kurumbranad taluk of the Malabar district, if persons from Mysore State and other plague-infected parts are permitted to assemble at that place on the occasion of the ensuing Kizhoor Chanda (fair):

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, His Excellency the Governor in Council directs that no person from the Mysore State, the districts of Bellary, Ananthapur, North Arcot, Salem and Coimbatore and other plague-infected areas intending to be present at the fair, shall be permitted to visit Kizhoor, from the 7th to 28th December 1898. All persons proceeding to Kizhoor in contravention of this Notification will be sent back.

No. 1027.—Whereas the Governor of Fort St. George in Council is satisfied that there is a danger of an outbreak of plague at Berikai village in the Hosur taluk of the Salem district, if persons from the Mysore State, and other plague-infected parts are permitted to assemble at that place on the occasion of the ensuing cattle fair and Kottara festival:—

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, His Excellency the Governor in Council directs that no cattle fair shall be allowed to be held this year at Berikai and prohibits the attendance at the festival of persons from the Mysore State and other plague-infected parts, from the 8th December 1898 to 4th January 1899, both days inclusive.

No. 1028.—Whereas the Governor of Fort St. George in Council is satisfied that there is a danger of an outbreak of plague at Udipi, in the taluk of the same name, in the district of South Canara, if persons from the Bombay Presidency, Mysore State, and other plague-infected parts are permitted to visit that place on the occasion of the ensuing Makara Shankramana festival:

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, His Excellency the Governor in Council directs that no person from the Bombay Presidency, Mysore State or other plague-infected place intending to be present at the Makara Shankramana festival shall be permitted to visit that place, from the 7th to 13th January 1899, both days inclusive.

All persons proceeding to the above mentioned place in contravention of this Notification will be sent back.

Telegram No. 4687, dated Calcutta, the 12th December 1898.

From—His Excellency the Viceroy. To—Her Majesty's Secretary of State for India, London.

No plague reported elsewhere.

Extract, paras 7 and 8 of Doctor Hornabrook's Weekly Inoculation Report for the week ending 25th November 1898.

VII. Influence of Inoculation upon the week's plague mortality—

- (a) For all inoculated : instead of 16·97 deaths, 2 are reported.
(b) For once inoculated : instead of 5·38 deaths, 2 are reported.
(c) For twice inoculated : instead of 11·58 deaths, 0 are recorded.

In the above para the death rate among (1) all inoculated, (2) once inoculated, (3) twice inoculated is compared with what it might have been if the same people had not been inoculated.

VIII. Influence of inoculation upon the week's plague morbidity.

- (a) For all inoculated : instead of 42·42 cases, 6 are reported.
(b) For once inoculated : instead of 13·46 cases, 4 are reported.
(c) For twice inoculated : instead of 28·95 cases, 2 are reported.

In the above para, the plague attacks among (a) all inoculated, (b) once inoculated (c) twice inoculated are compared with what they might have been if the people had not been inoculated.

Extract, paras 8, 9 and 10, of Dharwar Collector's Plague Progress Report for the week ending 25th November 1898.

8. The inoculations of the week at Hubli were 419 (of which 258 were first and 161 second inoculations). The inoculation record now stands thus :—

(a) Twice inoculated	35,558	} 40,772 persons.
(b) Once inoculated	5,214	
(c) Uninoculated	1,434	

The attacks for the week were—

(a) Twice inoculated nil. | (b) Once inoculated nil. | (c) Uninoculated 8 (all imported).

The total number of attacks including inoculated and uninoculated persons alike for the past three weeks is as follows :—

	Attacks. Indigenous.	Population
Week ending 8th November 1898	7	41,164
Week ending 15th November 1898	1	41,643
Week ending 22nd November 1898	0	42,206

9. The inoculation record for the town of Dharwar stands thus :—

Inoculations of the week :—

(a) First inoculations	1,306	} 2,533 persons.
(b) Second inoculations	1,227	

Total persons inoculated to date :—

(a) Once inoculated	5,844	} 1,3861 persons.
(b) Twice inoculated	8,017	

It will be observed that the number of persons inoculated considerably exceeds the number of people in the town. This is due to the people from the camps outside coming in for inoculation. At the same time a number of uninoculated people are living in the town and will speedily be inoculated.

The protection afforded by inoculation at Dharwar is shown below, the figures being from commencement up to date :—

	Present population.	Total attacks from commencement.	Total deaths from commencement.
Once inoculated
Twice inoculated
Uninoculated
	2,726	115	42
	5,864	29	7
	*2,015	1,169	913

The appended extract from Doctor Hornabrook's weekly return exhibits the percentage figures of protection in detail.

10. The inoculations of the week at Gadag were 770 (of which 502 were first inoculations and 268 second inoculations).

The inoculation record now stands thus—

(a) Twice inoculated	1,720
(b) Once inoculated	3,242

Total to date .. 4,962

The attacks for the week were—

(a) Twice inoculated nil. | (b) Once inoculated nil. | (c) Uninoculated 10.

*Of these 731 persons have been exempted either because they have had plague or, owing to ill health or old age.

FRENCH ROCKS DIVISION.

The 23rd December 1898.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, French Rocks division, up to 16th January 1899 inclusive, for restoring the Honnavarabherekere tank, Register No. 72, Nagamangala taluk.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of 30th June 1900.

2. The plans, detailed estimate, and conditions may be seen at the Executive Engineer's office at French Rocks, between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer and be accompanied by a statement, in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees two hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tenders for restoring Honnavarabherekere tank, Nagamangala taluk," in default of which, tenders will be rejected.

5. The first acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Subjects.

1. Consideration of accounts of receipts and disbursements for the month of October 1898.

Recorded with a remark that owing to the death rate having risen to nearly double the average of the corresponding month for the last three years, the executive be requested to investigate and report on the special causes which might underlie this abnormal death rate. Further resolved that owing to 3 or 4 suspicious deaths every day in Mochighat, the Civil Surgeon be requested to investigate the matter and give his opinion in consultation if necessary with the State Bacteriologist.

2. Letter No. 1077—583, dated 6th October 1898, from the Secretary to the Government of Mysore, 'Public Works Department, stating that the Government have been pleased to order that from the 1st July 1898, the working and maintenance charges of Vanivilasa Water-works be charged to the municipality.

Adjourned to next as the reference has not yet been received from the Sanitary Engineer with the Government of Mysore.

PAPERS IN CONNECTION WITH THE BUBONIC PLAGUE.

Extract from the diary of the Assistant Commissioner, Closepet Division,
for the week ending 24th December 1898.

Vadavatta is a road-side village within 11 miles from Magadi. After people were dispersed and shops closed in the Bangalore City, there was much traffic on this road, as people of whole of Magadi taluk and the surrounding villages began to export grain to Channapatna. Owing to prevalence of plague subsequently at Channapatna, not a single cart now passes by this road. Both the patel and shambhog of this village are, however, very vigilant and do not allow a single person coming from an infected area into their village. The village totis are made to watch the entrances to the village both day and night. Sheds have been put up by the villagers themselves to keep out people arriving from infected areas. The village was found to be free from plague.

Extract from the diaries of the Plague Officer, Mysore, dated 25th and 26th December 1898.

25—12—98.

The total mortality of the city is registered at 20, of which 4 deaths occurred in Lashkar mohalla, 11 deaths (7 from fever) in Mandimohalla, 3 in Devarajmohalla, and one each in Krishnaraj and Nazarbad Mohallas.

The North Ward Officer again reports the result of his enquiry into the large number of deaths in Mandimohalla as being unable to attribute any to plague as the Assistant Surgeon, who accompanied him, was unable to detect any plague symptoms.

26—12—98.

The Ward Officer accompanied by the Assistant Surgeon, Mr. Lakshmansawmi, examined many patients and corpses in Lashkar and Mandimohallas, but no symptoms of plague could be detected.

Extract from D. O. letter, dated 30th December 1898,
from the Deputy Commissioner, Tumkur district.

Plague in Tumkur seems to be on the decline. The recent attacks are not virulent: buboes appear in almost every case, and the majority of cases give every hope of recovery.

The affected villages round Tumkur have all been evacuated: the attacks in the fields must diminish in the course of a fortnight, after which I hope to be able to show a clean bill of health. I see these people in their sheds and give them every assurance.

Notification, No. 5230, dated Bangalore, 28th December 1898.

Under Regulation 19 of the original City Regulations issued under the Epidemic Diseases Regulation, 1897. (Notification No. 9384—Mis. F. 21-96, dated 10th February 1898, as amended by Notification No. 5182—Pg. F. 21-96, dated 14th October 1898) quoted in the margin,*

*19. In any locality to which this rule is applied by the Plague Commissioner, the President may by an order require that the certificate of a Medical Officer shall be obtained showing the cause of every death within two hours after such death.

After the issue of such an order, if a burial or cremation takes place without such a certificate having been obtained, the death may be presumed to have been due to plague, and the persons believed to have been in recent immediate contact with the corpse shall be liable to segregation and detention.

the provisions of the said Regulation shall apply to the whole of the Bangalore City from the 5th January 1899.

2. The President of the Municipal Commission, Bangalore City, is authorized to issue the necessary orders for enforcing the above Regulation from that date.

MYSORE CITY MUNICIPALITY.

Notice, dated 16th January 1899.

The following business will be transacted at the Ordinary Meeting of the Municipal Commissioners for the City of Mysore, to be held in the Rangacharlu Memorial Hall on Saturday the 28th January 1899.

Subjects.

- I. Consideration of accounts of Receipts and Disbursements and also vital and other statistics for the month of December 1898.
- II. Letter No. A, dated 5th December 1898, from the Secretary of the Managing Committee of the Sadvidya Patasala, forwarding a copy of the proceedings of the committee objecting to a sewage pipe being laid in the compound of the Patasala.

H. NANJUNDARAJ URS, for *President*.

Circular letter No. 234, dated 10th January 1899, from the Superintendent of Mysore Government Stationery Depôt, to all the Heads of Departments and offices.

It is requested that annual Indents for Stationery and Printed forms required for the year 1899-1900 may be caused to be prepared correctly with due regard to the requirements of the year and forwarded to this office punctually on or before the 15th February 1899, as prescribed by Government. Casual requisitions for forms, needed as required, are often sent to Stationery Depôt which cause not only much inconvenience and delay in the despatch of other work, but entail loss to Government, when the forms have to be re-printed. The Indents should therefore provide fully for the requirements of the year.

2. Forms not sanctioned by Government should not be entered in the Indent. Sanctioned serial-number of the form should invariably be given with precision and detail. Heads of Departments and offices are requested to scrutinize the Indents of their subordinate offices (both for Stationery and Printed forms) by comparing those of similar offices, with due regard to the requirements of each, countersign and forward Indents in duplicate to the undersigned on or before the due date, *viz.*, 15th February 1899.

T. T. LEONARD, *Supt. of Stationery*.

Gazette notice, dated 4th January 1899.

The Compiler, *Mysore Gazette*, begs to notify that as an efficient system of check and counter-check is maintained over the despatching of all Gazette copies forwarded to Post, no responsibility can be accepted by him when copies miscarry or are not delivered to addressees, and such losses will not be replaced by duplicate copies.

T. T. LEONARD, *Compiler, Mysore Gazette*.

FINANCIAL DEPARTMENT.

MYSORE RAILWAY LOAN, 1882.

The 6th July 1883.

The Mysore Government having arranged with Messrs. Coutts & Co., Bankers, No. 59, Strand, London, for payment by them of interest on such Debentures of the above Loan as may be encashed for payment of interest in London, parties desirous of drawing the interest on their Debentures in London should send them to the office of the undersigned for encashment.

Interest will be paid in rupees by Demand Drafts, in duplicate, on the Bank of Madras, Madras.

No fee will be charged for encashment.

H. HUDSON, *Comptroller*.

CINCHONA FEBRIFUGE.

Cinchona Febrifuge can be purchased by all Government Officers and by any one taking *six pounds* or more from the Superintendent, Botanical Garden, Calcutta, at the following rates:—per four-ounce tin, Rs. 2-8; per eight-ounce tin, Rs. 5; per pound-tin, Rs. 10. The general public can be supplied by the Superintendent, Botanical Garden, *for Cash only*, at the undernoted rates:—per four-ounce tin, Rs. 3; per eight-ounce tin, Rs. 6; per pound-tin, Rs. 12. This medicine is also sold by the European and Native Druggists in Calcutta. Postage—four annas per four-ounce tin, eight annas per eight-ounce tin, and twelve annas per pound-tin, in addition to the foregoing rates.

2. Health Officer's letter No. 262, dated 7th December 1898, suggesting the substitution of tiled roofs in lieu of mud roofs to houses at present existing in the City of Bangalore.

Resolved that the question be deferred for consideration in the next meeting and that in the meantime information be collected regarding the bye-laws in force in the Civil and Military Station on the subject.

3. Consideration of the Memorandum drawn up by the Vice-President showing the present financial condition of the Board.

Resolution :—The Board expressed their regret at the present state of the Municipal finances as brought to notice.

It was resolved that a sub-committee consisting of Messrs. D. Venkatramiah, D. Ranga Rao and R. Raghunatha Rao with the Vice-President be formed to examine the accounts thoroughly and submit a report, and that in order to meet the current expenditure the Government be moved to advance Rs. 10,000 to meet establishment and other emergent charges and a further sum of Rs. 6,000 for the steam road-roller recently purchased, pending submission of definite proposals.

K. P. PUTTANNA CHETTY, *President*.

MYSORE CITY MUNICIPALITY.

Notice, dated 8th February 1899.

In pursuance of the Plague Commissioner's Notification No. 5884, dated 13th January 1899, and Government Notification No. Pg. 1067, dated 31st January 1899, the President of the Mysore City Municipality hereby notifies to the public that, when any death takes place within the municipal limits of the Mysore City, the certificate of a Medical Officer shall be obtained showing the cause of death within two hours after such death.

If a burial or cremation takes place without such certificate having been obtained, the death will be presumed to have been due to plague, and the provisions of Government Notification No. Pg. 555, dated 28th November 1898, will be applicable.

The undermentioned Medical Officers are authorized to grant such certificates—whose addresses are given below.—

C. MADIAH, President.

MARIKANAVE DIVISION.

Dated 18th February 1899.

Notice is hereby given that sealed tenders will be received at the office of the Superintending Engineer, Marikanave division, up to 9th March 1899, for excavating the north saddle for a weir to the proposed Marikanave reservoir. The work is divided into 3 sections. An approximate estimate of the quantities in each section is given below. The work should be completed by June 1899. The competitor may tender for one or more sections of the work.

2. The plans, detailed estimate, and conditions may be seen at the office of the Superintending Engineer, between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Superintending Engineer and be accompanied by a statement, in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or currency notes, as earnest money, and be superscribed "Tender for excavating north saddle for a weir,—Marikanave works;" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the accepted tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the office of the Superintending Engineer in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply. On acceptance of the tender the earnest money on rejected tenders will be returned.

THE CHIEF COMMISSIONER OF COORG.

Notification, dated 8th February 1899.

No. 5. Tenders are invited for the exclusive right of the sale of opium, preparations or admixtures of opium, and intoxicating drugs prepared from the poppy other than preparations or admixtures of opium used for smoking, in the Province of Coorg for 3 years, viz., from the 1st April 1899 to 31st March 1902. The tenders for the above must be made subject to the following conditions:—

2. A deposit of Rs. 100 must accompany the tender. The covers should be superscribed with the words,

"Tenders for the sale of opium, preparations or admixtures of opium, and intoxicating drugs prepared from the poppy other than preparations or admixtures of opium used for smoking," and must be sent to the Commissioner of Coorg on or before 12 noon, on Monday the 20th March 1899, after which no tender will be received.

3. The tenders shall specify the amount which the parties tendering undertake to pay to Government annually as rent for the exclusive privilege of sale of the said articles. The rent will be payable quarterly, in advance, that is, on 1st April, 1st July, 1st October and 1st January of each year.

4. The tenders will be opened by the Commissioner, or in his absence, by one of the Assistant Commissioners at Mercara at noon, on Tuesday the 21st March 1899, in the presence of those applicants who may be present. The final disposal of the tenders, will, however, rest with the Chief Commissioner of Coorg, who reserves to himself full power to reject any or all of the tenders without assigning any reason. The deposits made by the applicants whose tenders are rejected will be returned to them.

5. The applicant whose tender may be accepted by the Chief Commissioner shall be required to deposit within 3 days a further sum in cash, or currency notes, or Government Promissory notes to make up together with the deposits previously made, a sum equal to half of the annual payment or rent guaranteed, such deposit being eventually credited towards the instalments due for the half year, ending with 31st March 1902, and further, he shall, within 10 days of the acceptance of his tender by the Chief Commissioner, execute an agreement in the prescribed form on stamp paper, binding himself to conform to the rules prescribed under the Opium Act I of 1878, and shall give security for the due fulfilment of the engagement entered into by him, and if he fails to do so, the deposits already made shall be forfeited to Government and the contract shall be otherwise disposed of.

6. In the event of the contractor failing to pay up any instalment on the date on which it falls due, the Commissioner of Coorg shall be at liberty at once to cancel the contract, and to confiscate the deposit, the lease being re-sold at the contractor's risk.

7. The number of shops to be opened for sale of the articles aforesaid in Coorg is restricted to three, viz., one at Mercara (Mahadeopett), one at Virajendrapett and one at Somvarpett.

8. No other shops than those specified in paragraph 7 above, shall be opened except under the special sanction of the Commissioner.

9. The persons appointed by the contractor to vend by retail at the several shops above enumerated must be furnished by him with licenses approved and countersigned by the Commissioner of Coorg according to the forms prescribed by law.

10. All opium required for vend must be procured through the Commissioner of Coorg on payment of the price fixed by the Chief Commissioner, and on the expiry of the contract the incoming contractor shall be bound to take over, if so required by the Commissioner, any opium, preparations or admixtures of opium and intoxicating drugs prepared from the poppy other than preparations or admixtures of opium used for smoking that may remain unexpended belonging to the former contractor to the extent of 2 months' supply at such price and in such quantities as the Commissioner shall adjudge.

11. Further particulars may be ascertained on application to the Commissioner of Coorg, Mercara.

K. D. FRISKINE, Captain
Secy. to the Chief Commissioner

PAPERS IN CONNECTION WITH THE BUBONIC PLAGUE.

Notification dated 17th February 1899.

It is hereby notified for the information of the public that the Senior Surgeon and Sanitary Commissioner with the Government of Mysore has authorized 1st Class Hospital Assistant Masilamony Mudaliar of the Local Fund Dispensary, Closepet sub-taluk, to inoculate and to grant certificates of inoculation, within his jurisdiction.

Notification dated 17th February 1899.

It is hereby notified for the information of the public that the Senior Surgeon and Sanitary Commissioner with the Government of Mysore has authorized Sub-Assistant Surgeon Mr. G. David of Seringapatam to inoculate and to grant certificates of inoculation.

INSPECTION NOTES OF THE PLAGUE COMMISSIONER IN MYSORE, KOLAR DISTRICT.

7th February 1899.

Vadigenhalli.—On my way from Jangamkote to Chikballapur I visited the town of Vadigenhalli, Devanhalli taluk. I was told that two cases of suspicious death had occurred about the beginning of the month and that dead rats were found in the Post Office and in the adjoining house. Walked through the town accompanied by Mr. Sparkes and Mr. C. Rajarama Rao, Civil Surgeon, Kolar district. The streets were kept fairly clean. There was no Plague Officer present. The Circle Inspector met me after I left the place. The dafadar had gone out on duty. There were only 3 police constables, and none of them seemed to know anything about plague in the town nor to think that they had any duties to perform in connection with it. One was a superannuated old man, and none of them had their uniform on. The shekdar came later on, but he also seemed to think that he had nothing to do in plague matters nor in those connected with the municipality. I think it is time that the status of the shekdars was raised and their usefulness increased. It is also necessary to have a well-paid official to be in executive charge of outlying municipalities.

There were altogether 5 deaths in the town from the 1st to 7th instant. The Hospital Assistant does not seem to have examined any of the cases to see if they were plague.

One Ramakrishnappa, Municipal Commissioner, occupant of the house adjoining the Post Office, in which a few dead rats were found a week ago, seemed to have immediately vacated the house and to have removed to his village near Jangamkote. The leading men of the place were anxious to vacate the town and go into camp. They seemed to be under the idea that Government had prohibited them from leaving their villages. I explained to them that this was a mistake and they had probably the pass rules in their mind, and these prohibited people from leaving an infected area to go to another town or village. They were anxious that arrangements should be made for securing their valuables and for special police being assigned to guard the huts in the camp. They also wanted materials to be given free for sheds for the poorer classes. I said I would give instructions to the Amildar for meeting their requirements under all these heads. The town consists of 620 houses with a population of 4,050 souls. Issued instruction for the Amildar to meet me at Nandidrug next morning.

8th February 1899.

Chikballapur.—Inspected Chikballapur. The town which contains more than ten thousand souls had been almost completely evacuated. Only about 160 families are still remaining in the town. The infected houses are all marked and openings made in the roof for air and sun. Visited the Plague Camp. A large chattram belonging to Nagartha Muniappa, situated on the Bellary road, is used as a Health Camp. Adjoining this in another chattram was the Plague Hospital in which there were 6 patients at the time of inspection. They were attended to by their own relatives. The authorities did not interfere beyond seeing that the patients and the surroundings of the patients were kept clean.

On my return to Nundydroog, met the Amildar of Devanhalli, who explained that owing to absence at Bangalore on duty he had not been able to visit Vadigenhalli for nearly 20 days. I fear the Amildar has not given that attention to Vadigenhalli which its importance and the suspicious circumstances connected with the deaths in the town and the discovery of dead rats called for. He was directed to proceed immediately to Vadigenhalli and do the needful.

10th February 1899. Morning.

Village wells.—From Nundydroog to Bangalore. In the roadside villages, I noticed that drinking water wells were not fenced round with parapet wall nor the sides sloped as required by the sanitation rules.

Karhalli and Kodagurki.—In the villages of Karhalli and Kodagurki, in the latter of which some plague cases have been reported to have occurred, manure and dirt had been allowed to accumulate on the roadside.

Devanhalli, Bangalore district.—Inspected the town of Devanhalli, which, according to the Census of 1891, had a population of seven thousand souls. The town had been completely evacuated. The townspeople seemed to have taken warning from what had happened at Dodballapur and left the town at a very early stage of the appearance of plague in it. They have built huts with their own materials, and seem to enjoy almost perfect immunity from plague ever since they moved into camp.

Demand for Inoculation.—There is a great demand for inoculation here, and I would recommend Hospital Assistant Mr. M. R. Annavoo pillay being empowered to inoculate and supplied with serum for the purpose.

Extract from the Diary of the District Plague Officer, Bangalore, for the week ending
10th February 1899.

On arrival at Closepet, I found that the town had been quite vacated. In fact I am told that the evacuation took place in 2 days. Many people had sheds ready for themselves long before the plague broke out. Closepet remained free for a long time notwithstanding that plague had been existing all around it for months, and it is very unfortunate that it had to give way at last. As usual one of the Komti class is responsible for having brought the plague to the town.

Credit is due to the Sub-Division Officer and Deputy Amildar in having effected such a speedy evacuation of the town. There have been no cases since the 3rd instant, and it is to be hoped that the plague is stamped out. The total number of deaths has been 17 out of 24 attacks. In the evening I went round some of the camps outside the town and found everything satisfactory, and the people had no complaints to make.

Tuesday 7th.—I went round the town in the morning and found that the streets were kept clean and that a gang of men were at work removing the tiles of the roofs of the houses. Of the Rs. 100 subscribed by Genl. and Mrs. Curteis for the poor of Channapattana, the Sub-Division Officer informs me that Rs. 50 was spent in ragi and Rs. 40 in clothes, and the remaining Rs. 10 was distributed in cash; some 250 poor people were recipients of the bounty which included about 40 gosha women. In the afternoon I returned to Bangalore.

Friday 10th.—Drove out to Hebbal in the morning and inspected the village. It has been completely disinfected and some 28 families have returned. For the last 2 months and more there has been no plague in the village, and I have given the people permission to re-occupy it. The total number of deaths from plague in this village was 32.

Extract from the Diary of the District Plague Officer, Tumkur, for week ending
3rd February 1899.

The new establishment sanctioned for the taluk of Tumkur has afforded great relief to the industrial classes of Tumkur. The weavers and Mahomedans who were earning their livelihood by means of cooly have been thrown out of employ since the outbreak of plague, and they have eagerly sought employment as Police Constables. I should have employed them as disinfection coolies but they are too timid yet to accept the work. The Deputy Commissioner is anxious to start some relief work, and he has with that view a scheme ready for the improvement of the town, which will afford employment to the poor and the distressed.

Applications are coming from different parts of the district which have not been infected as yet for advances for construction of sheds. People have realized the advantages of early evacuation and are anxious to have their own sheds before the actual outbreak of plague. The officials of course have taken the lead in the matter, and their example will generally be followed by people at large. Agricultural classes do not consider it a hardship to leave their houses and live in sheds. But the better classes such as Brahmans, Lingayets, &c., do not move out so easily. Being accustomed to live in decent houses and not being habituated to the inclemencies of the weather, they cannot reconcile themselves to the idea of living in small sheds which cannot afford them much protection against wind and cold. They naturally remain long in infected places and succumb in large numbers. If encouragement be given to them in the construction of sheds, early evacuation can be ensured and the ravages of the disease will be greatly minimised.

Deputy Commissioner's remarks.—“Even the Brahman and the Lingayet merchants are opening their eyes to the importance of early evacuation. There was no difficulty whatever in inducing the Brahmans of Gulur and Kyatsandra and the Lingayet merchants of Bellavi to leave their houses on short notice.

WEEKLY REPORT OF PLAGUE IN THE MYSORE STATE, EXCLUDING THE CIVIL AND MILITARY
STATION, FOR THE WEEK ENDING 10TH FEBRUARY 1899.

Bangalore City.

I. The following are the figures in the City up to date :—

	Plague Cases.	Plague Deaths.	Deaths from all causes.	Normal recorded mortality in the same period.
From 12th August 1898 to 13th January 1899	3,297	2,628	6,862	539
Week ending 20th January 1899	7	5	27	23
Week ending 27th January 1899	14	8	55	23
Week ending 3rd February 1899	6	7	39	23
Week ending 10th February 1899	5	2	35	23

There was a further decrease in the number of plague cases and deaths in the week under report as compared with that of the previous week, and, during three days out of the seven, there were neither cases nor deaths. The return of people to the City is reported to continue. The total number of arrivals during the week was 1,668.

II. The figures for the Health and Segregation Camps were as follows :—

	Remaining.	Admitted.	Discharged.	Developed plague.	Remaining.
Health Camp	457	105	78	„	484
Segregation Camp	7	16	7	„	16

III. During the week, there were 662 first, and 11 second, inoculations, bringing the totals to 30,001, and 1,353, respectively. Two inoculated persons were attacked with plague during the week, making 230 since the outset, of which 155 have been verified.

IV. The Hospital figures were as follows :

	Remaining.	Admitted.	Discharged.	Died.	Remaining.
For the week	2	2	1	..	3
Since the commencement	2,093	738	1,352	3
Inoculates	..	105	63	40	2

V. During the week 235 houses were disinfected, of which 52 were infected houses, 9 were deserted ones, opened as suspicious and disinfected under Government Notification, dated 15th October 1898, and the remainder were opened and disinfected, before re-occupation, at the request of owners and tenants wishing to return to them.

VI. During the week, permission was given to re-occupy 203 houses ; no charge was levied for disinfecting 49 houses ; and the fees levied on the remaining 154 amounted to Rs. 219-8-0. Fifteen houses were demolished as being unfit for human habitation, bringing the total from the commencement to 365.

VII. The Malleswaram and Basavangudi extensions, in the north and south of the City, continued to make good progress, the cost of works carried out during the week being Rs. 4,149, of which the greater part was expended on making roads in the Basavangudi extension and on laying down water pipes in the Malleswaram extension. The total amount spent on the two extensions up to date is Rs. 26,740, excluding an estimated sum of Rs. 1,35,270, to be paid as compensation for acquisition of land and crops.

Mysore State, outside Bangalore.

VIII. The accompanying weekly return shows the progress of the epidemic in the Province.

In the Mysore district, exclusive of the Mysore City, there was a slight increase, owing chiefly to the spread of the disease in the Mysore taluk, where two villages were newly infected. Both these villages are reported to have been evacuated. In this district also, villagers are becoming more and more alive to the danger of plague, and readier to evacuate their infected villages.

In the Bangalore district, there was a marked decrease of plague in all the taluks, except Nelamangala, where the decrease was but slight. In the Bangalore taluk, only 14 out of 23 infected villages returned cases, as against 18 in the previous week. Of these, 4 were newly infected, but are reported to have been promptly evacuated. Altogether, out of 69 infected villages in the district plague occurred in only 39 villages, as against 56 in the previous week.

In the Kolar district, there was a considerable decrease of plague on the whole, in spite of the increase in the Kolar Gold Fields, where 27 attacks and 17 deaths were reported from 10 villages, against 11 attacks and 9 deaths in the previous week, 4 of these villages being newly infected.

In the Tumkur town, plague continued to show a marked decrease, only 5 cases being reported during the week under review.

In the Tumkur district, three villages were newly infected and are reported to have been promptly evacuated. Out of the 16 "infected" villages, only 6 reported fresh attacks during the week, while out of the whole 39 villages in which indigenous plague has occurred since the commencement, 21 have been free from plague for two weeks or more. Of the three newly infected villages one was in Maddur taluk ; with this exception plague was confined to the taluk of Tumkur. Great vigilance in detecting new cases and promptitude in securing evacuation of villages, continue to be shown, while the work of disinfection is being actively pushed on.

IX. In the Mysore City the figures were as follows :—

	Plague cases.	Plague deaths.	Total mortality.
Week ending 20th January	.. 178	127	261
" 27th February	.. 276	208	274
" 3rd February	.. 264	220	288
" 10th February	.. 285	231	283

There was a slight decrease for the first time during this week in the number of plague cases as well as in the total mortality, though the actual mortality from plague shows a slight increase.

It is a hopeful sign, that the weekly increase in the number of attacks has stopped ; and if the improvement continues next week, the plague may be considered to have reached its turning point. The registration of deaths has now become as perfect as it can be made, for out of the 52 deaths from other causes only 2 were uncertified deaths, and of these, one was a death in which suspicions of foul play were entertained by the Police.

Supplement to the Diary for the week ending 11th February 1899.

During this week I inspected the marginally noted villages of the Alur sub-taluk and found them

- | | |

to be fairly clean, considering the traditional backwardness of the malnad raiyats in the matter of village sanitation. The houses are, as a rule, whitewashed. Manure heaps have been almost completely removed from near the houses and deposited in fields. Sites have also been selected for the deposit of manure far away from villages, but they have not as yet been availed of by the villagers. With a little more persuasion on the part of the taluk authorities, I feel confident that

the villagers will make up their minds to store their manure in them.

But it must be regretted that the patels are thoroughly ignorant of the nature of plague and the measures to be adopted on its appearance. The Plague Commissioner's leaflet on plague appears to have not been issued to most of them, and the few that have got them do not understand its contents.

328

I have made it a point to explain to these patels what plague is, what action should be taken by them, should it unfortunately make its appearance and what preliminary steps should be adopted to prevent its spread. I have also directed the Police jamadar who was with me during the time of inspection to visit these villages as often as possible and see that these instructions are not forgotten by the patels.

(Sd.) P. NANJUNDA NAIDU,

Offg. Asst. Supt. of Police, Hassan District.

Plague Commaissioner's remarks on the above.

"This is regrettable. 100 copies will now be sent to the Deputy Commissioner, who will kindly see that all patels understand the nature of plague and the duties they have to perform in connection therewith. Also it will be interesting if officers on plague and sanitation duty could examine registers of births and deaths kept by the patels in the villages visited and satisfy themselves that there has been no abnormal rise in the mortality. They should also make it a point to note if the station house officers and the patel keep the registers of arrivals from infected localities as directed in this office Circular No. 76—Cir. 33-10, dated the 7th of February 1898."

Extract from the Diary of the District Plague Officer, Tumkur, for the week ending 10th February 1899.

There was one fatal case of plague at Kesale reported on the 1st of January 1899. The victim was a Mahomedan who belonged to a family that had come from Tumkur. Prior to this, there was a suspicious death in the same family. The usual precautionary measures were adopted—the patient was isolated and the family segregated. But what was worth noticing was that after the removal of the family from the village, no attacks occurred amongst its members or amongst the other inhabitants of the village. Checked the patel's mortuary register. With the exception of the death just mentioned, there was no other death in the village during the month of January. Made enquiries about the health of the people and learnt that there was no sickness from fever in the village. The village seems to have been saved by the early detection of the plague case and the removal of the patient and the contacts to sheds outside.

Gulur.— The Komati seems to have brought some grain from his isolated house at Gulur and thus caused the spread of the contagion to the sheds.

Diary of the District Plague Officer, Mysore, dated 13th February 1899.

In the morning went in company with the Civil Surgeon to Tunsikoppal, of the sick cases examined were plague cases, one of them being bubonic. The whole village had camped out, the sick on one side and the healthy on the other. One of the cases was in the latter camp, and was ordered to be removed to the other side and the spot disinfected. Some of the sheds were close to each other and were directed to be removed to longer distances.

2. I had mentioned the death of one Lakshmi Bai in my diary of the 10th and the misbehaviour of the Barr sepoy Lakshman Rao, father of the deceased, and Sidhoji, her brother. This morning I found Sidhoji's wife had died and another daughter-in-law of Lakshman Rao was also laid up with bubonic plague. The family deserves pity, and I recommended the prosecution sanctioned of Lakshman Rao and Sidhoji may be withdrawn. The Deputy Commissioner has kindly approved of my recommendation.

3. The patients are isolated in separate sheds.

FINANCIAL DEPARTMENT.

SPECIAL AUDIT DEPARTMENT.

Circular No. 5088—S. A. 881, dated 17th February 1899.

To—The Deputy Commissioners of Districts, Treasury Department.

As the revised form of Treasury Accounts provides a separate sub-head, viz., 4a, under "Public Debt Local Remittances" for "Price of arrack," the Comptroller has the honor to request that the Deputy Commissioners, Treasury Department, will be so good as to send in future a separate subsidiary statement for the transactions under the sub-head. These are at present mixed up with those of Local Remittances No. 4 and sometimes omitted altogether from the detailed credit and debit statements received therefor.

2. As at present, the voucher sent in support of the debit should be a consolidated one for the whole district.

E. R. SUBRYAER, Comptroller.

1. Read Government Proceedings No. 2347-8—L. F. 2-38, dated the 19th August 1898, stating that it would be better to spend the Local Funds General upon large bridges, as per bridge programme under preparation in the Public Works Department, than upon petty local works.

2. Read correspondence ending with 1st General Assistant Commissioner's yadi No. 141—2, dated the 23rd August 1898, forwarding for sanction an estimate for Rs 100 for the repairs of the cart-track leading from Rajankunte to Kakol in the Doddballapur taluk.

3. Read the revised District Fund budget for 1898-99.

4. Read docket No. 375—124, dated 26th January 1899, from the Executive Engineer of the Bangalore division, forwarding for countersignature and return an estimate for Rs. 1,670 for constructing a loop line between Doddballapur Railway Station and a point $\frac{1}{4}$ th mile of the Devanhalli-Doddballapur road.

5. Read Government Proceedings No. 3255-62—L. F. 86-97, of the 17th January 1899, about introducing the village sanitation regulations in places other than Municipal towns.

6. Read yadi No. 368, dated 12th September 1898, from the 2nd General Assistant Commissioner, about contingencies to the rest-house at Rajankunte.

Resolution.—The Board wish to submit for the consideration of Government, that the provision of drinking-water wells, particularly in dry districts, is a great boon to the population and that the limited funds at the disposal of the Board will not admit of sufficient provision being made in this respect. The Board therefore resolve to urge the Government to reconsider the order and to allot funds, as heretofore, from the Local Funds General for the sinking of drinking-water wells.

Resolved that the expenditure be passed and that provision be made in the revised budget for the same.

Resolution.—The Board discussed the several items and sanctioned the revised budget of expenditure for Rs. 92,675.

Resolution.—An appropriation of Rs. 500 will be provided for in the revised budget.

Resolved that the lists from taluks be awaited.

Resolution.—The Board sanction an annual contingent grant of Rs. 6 for the rest-house at Rajankunte.

The Extra Assistant Commissioner's Yadi No. 234, dated 14th January 1899, forwarding the Yedahalli Deputy Amildar's report No. 218, dated 29th December 1898, requesting sanction to the entertainment permanently of a sweeper for the Tadasa village and to transfer in the meanwhile the services of the sweeper at Danivasa.

18. The Executive Engineer's docket No. 945, dated 13th October 1898, forwarding an estimate for constructing a native kitchen to the 3rd class travellers' bungalow at Sampigekkan and stating that native kitchens are badly needed at Lingenhalli and Santaveri also.

19. The letter, dated 4th September 1898, from the Secretary, South Mysore Planters' Association, stating that the Association is strongly of opinion that a road from Chiknalli to Chikmagalur is greatly needed, as it will open a tract of country at present ill-provided with communications, and that it would materially shorten the distance from Saklespur to Chikmagalur, vide Subject No. 23 of 25th May 1898.

The Board wish to record their appreciation of the liberality of Government in sanctioning the above grant.

Amildars are requested to submit revised estimates of the works noted against their taluks in the Government Order read above.

This question is now before the Dasara Assembly, and the Board decide to await the opinion of Government.

The Board accept the decision of the Muzrai Department and resolve that Government be addressed to sanction the entertainment of a jadmali from the beginning of the next official year at the cost of District Funds.

The Board sanction the cost of repairs executed to the building, viz., Rs. 104-0-4, being paid from the current year's budget grant.

Resolved that Rs. 50 be sanctioned for each of the 3rd class bungalows which have not already been provided with the necessary utensils. Amildars are requested to send in lists of the articles required.

Resolved that Mr. Denne be asked if he would undertake the construction of a pound at his own cost and to keep the pound under the usual rules.

The Board have no objection to the sweeper being removed from Danivasa and leave it to the Deputy Amildar to utilize his services at Tadasa or Yedahalli as necessity arises.

The Board are of opinion that a native kitchen is hardly needed at Sampigekkan; but that it is very necessary to have one of the type design built at Lingenhalli. The Executive Engineer will be addressed accordingly.

The Board entirely agree with the opinion expressed by the Secretary to the South Mysore Planters' Association as to the general utility of the road, and sanction the expenditure of Rs. 500 from the budget towards the cost of preliminary survey the proposed alignment.

20. The Executive Engineer's docket No. 993, dated 3rd November 1898, forwarding a bill for Rs. 20 on account of the wages due to the ferryman at the Bydevalli crossing for July and September 1898, and stating that no fees were collected and suggesting that the right to collect fee may be sold, by public auction or arrangements made to collect fees by departmentally working the ferry.

21. The Executive Engineer's docket No. 39, dated 27th January 1899, recommending an increase to the mileage allotments for the following roads :—

	From	To
1 Birur-Lingadhalli road	.. 60	80
2 Bababuden Hill road	.. 60	70
3 Balur-Magundi road	.. 40	50
4 Sollebile-Balehole road	.. 60	80

22. Civil Surgeon's docket No. 661, dated 31st January 1899, forwarding a statement of dispensary charges to be incurred in the Kadur Local Fund Circle for 1899-1900, and requesting sanction to increase the pay of the compounders at Tarikere and Yedahalli from Rs. 8 to 10 per mensem.

23. The election of a member for the Tarikere taluk in place of Mr. C. Kappusami Pillai, who has absented himself from more than 3 consecutive meetings.

24. The President proposed the opening out of a road from Kadur to Belgur, which is a necessity to that part of the country, and will also be a most useful railway feeder road.

25. Proposed by Dr. Fernandes and seconded by Mr. Ganesha Rao, that Government be addressed and requested to construct a 2nd class bungalow at Birur, as it is a rising town and will be the junction for the Birur-Shimoga railway.

26. Proposed by Mr. Ganesha Rao, that a temporary dispensary be opened at Balur or a weekly visit paid to Balur by a medical man.

27. Proposed that the Deputy Amildar of Yedahalli be requested to attend the meetings of the Local Fund Board.

28. Read the consolidated budget estimates of receipts and expenditure under the several heads in the District Fund budget for 1899-1900 as abstracted hereunder :—

	Receipts.	Rs.
1 Total income for 1899-1900	..	52,633
2 Opening balance	..	12,795
Grand Total	..	65,428

	Expenditure.	Rs.
3 Works to be executed by P. W. D.	..	15,000
4 Do Revenue Dept.	..	7,350
5 Civil charges	..	18,100
Total	..	68,450
Closing balance	..	1,978
Grand Total	..	65,428

The Board have already suggested that the ferry should be worked by the Public Works Department.

The amount due to the ferryman may be adjusted from the balance remaining from the amount of the estimated cost of the jangal and dhony.

The Board consider an extra amount of Rs. 10 per mile should be sanctioned for the Belur-Magundi road, but do not consider it necessary to increase the allotments on the others as proposed. They are also of opinion that the allotment of Rs. 150 a mile for the Shimoga-Yedahalli road may be reduced to Rs. 50 per mile and the money thus saved, viz., Rs. 1,100, used to improve the old famine road from Kadur to Belgur via Yagati.

Recorded with the observation that the increase proposed being in accordance with Government Order No. 13250-1—Mis. 1962, dated 8th June 1896, the same may be entered in the next year's budget.

Mr. Kuppasami Pillai being present, says that he is willing to continue on the Board.

The Board recommend that Government be requested to condone his absence.

Resolved that Rs. 1,500 be allotted in this budget for this work (*vide* No. 21) and that the Executive Engineer be requested to furnish estimates.

Carried *nem con.*

Resolved that the Assistant Surgeon, Mudgere, be offered Rs. 25 a month to make a weekly visit to Balur on the Banakal shandy day and that sanction of Government be obtained, if the offer is accepted.

Carried *nem con.*

The Board in approving of the same, noted—

I That the small decrease under "receipts" does not call for any special attention, and

II That the increase under "expenditure" is owing to the increase budgetted under urgent "Original works" (Revenue and Public Works Department).

Resolved that the budget be recommended to Government for sanction.

KADUR DISTRICT.

The 6th February 1899.

It is hereby notified that in satisfaction of arrears of land revenue due by the late Mr. Rangaiya, Hebbar, revenue defaulter, the undermentioned immovable property, the occupancy of which has been declared to be forfeited, will be sold by public auction at the Cutcherry of the Mudgere taluk in the Kadur district, by the Amildar on Monday 20th March 1899. The sale will commence at 11 a. m., and the property will be knocked down to the highest bidder without reserve.

2. The amount of revenue payable by the purchaser up to end of the year 1898-99 is Rs. 135, as shown in detail in the statement at foot.

3. Purchasers will be required to deposit twenty-five per cent of the purchase money at the time of sale, and where the remainder of the purchase money may not be paid within fifteen days from the day of sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made nor the remaining purchase money paid up, the property shall be re-sold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account, or as agents, and in the latter case to deposit a written authority signed by their principals; otherwise their bids may be rejected.

6. The sale shall be stayed if the defaulter, or any person acting on his behalf or claiming an interest in the property, tenders the full amount of the arrears of revenue with the interest and other charges, provided such tender be made before the property is knocked down to the highest bidder on the date of sale.

7. The sale of the property will not become absolute until confirmed by the Deputy Commissioner.

8. Purchasers having completed the payment of the purchase money will, as soon as the sale has been confirmed by the Deputy Commissioner, be placed in immediate possession, and the property will be registered in the name of the purchaser, and a certificate of sale, signed and sealed by the Deputy Commissioner, will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description or in estimated extent.

9. Provided, parties deeming themselves aggrieved by the sale, shall be at liberty to appeal to the Deputy Commissioner within thirty days from the day of sale, and also to appeal to Government against his order within the time prescribed by law, and the purchase shall be conditional on the final order in such appeal.

 Mr. Rama Sastri, Land-holder, Channarayapatna.
 Mr. Mahomed Ghous Sahib, Coffee Planter, Saklespur.
 Mr. Kalasapurada Tammaiya, Coffee Planter, Belur.

ABSENT.

Non-Official Members.

Mr. Soukar Venkataramaiya of Konanur.
 Mr. Venkatasubbaiya, Inamdar.
 Mr. J. G. H. Crawford, Ubban Estate.

Note.—The Deputy Amildar of Alur was also present.

1. Read Executive Engineer's docket No. 449, dated 28th September 1898, requesting that Rs. 780, being the cost of widening the bund of Haltore-Megalkere for the purpose of a cart-track, be placed at the disposal of P. W. D.

Resolved that the question of providing funds be reserved for consideration at the next meeting pending report of the Amildar of Belur on the desirability of widening the bund in question for the above purpose.

2. Read Government Proceedings No. 2347-S—L. F. 2-92, dated 19th August 1898, declining to grant Local Funds General for petty local works.

Resolution.—Recorded with the observation that sufficient funds cannot be provided from the District Fund for sinking drinking water wells in the several taluks of the district unless Government would kindly undertake to relieve the District Board from providing funds for making such roads as Bisle and others, and as the taluks of Arsikere and Channarayapatna and a few others suffer most from scarcity of water during the hot weather, the Government be moved to sanction for this year, at least Rs. 5,000 from the Local Funds General.

3. The question of levy of toll at the Holé-Narsipur bridge as it is now completed and opened for traffic, was placed before the Board.

(Government Proceedings No. 8133-37—Mis 1679, dated 21st January 1898.)

Resolved that Government be requested to accord early sanction for the above.

4. Read the Dasara subject regarding the opening of a road from Kattaya to Halekote.

Resolved that the question be retained for further consideration, as the members present are of opinion that the opening of a road from Uduvare to connect with Hassan-Holé-Narsipur road is more important than that of Kattaya and Halekote, for the former one will open up the richest valley irrigated by the Hemavati channel.

5. Read the Dasara subject regarding the construction of a bridge across the halla on the Arsikere-Huliyar road.

Resolved that the construction is desirable and that the Executive Engineer be meanwhile requested to investigate the matter.

6. The question of repairs to the trunk road from Arkalgud to Yelwal-Hassan road *via* Marur was placed before the Board.

Resolution.—Approved. The work to be executed in consultation with D. P. W. Sub-Division Officer, if funds are available.

7. Read Holé-Narsipur Amildar's reports Nos. 10 and 31, dated 13th August and 3rd November 1898, proposing the execution of the following works:—

- (1) Construction of a pond at Halli-Mysore, Kadanur hobli, Rs. 500.
- (2) Construction of a drawing well near the musafirkhana, Rs. 500.
- (3) Converting the old anche house at Yellespura into a musafirkhana, Rs. 500.
- (4) Construction of a bathing ghat at Mavinkere for the Hemavati river, Rs. 200.
 (A little rough stone work has been already done).
- (5) Construction of a musafirkhana within the compound of Sri Venkataramanaswami temple at Mavinkere for the convenience of pilgrims, Rs. 150.

345

189

- (6) Construction of a road and tunnel from Holé-Narsipur to Mavanur, *via* Bagaval, Rs. 500
- (7) Construction of a musafirkhana near Sri Ramadevarkatte as the only bungalow now existing is not enough, Rs. 300.
- (8) Construction of 2 tunnels on the road between Holé-Narsipur and Halli-Mysore, one on the Halli-Mysore road near the Surgi Tope and another near Lakkur, Rs. 150.
- (9) Petty repairs of tunnels in the Halli-Mysore road as they have been rendered bad owing to excess of rains, Rs. 100.
- (10) Improvement of village sanitation particularly in certain parts.

Resolution.—No money can be sanctioned for a pond, but the amount already sanctioned may be utilized in sinking a well at Halli-Mysore in a suitable locality.

The Municipality should provide funds for work No. 2.

There is no need for work No. 3.

The Amildar to make a further report on the necessity of work No. 4.

The 5th is a matter to be dealt with by the Muzrai Department.

Work No. 6 to be put off for the present as much traffic does not pass through the existing cart road

That Rs. 150 be provided for roofing the existing walls near Sri Ramadevarkatte and that the materials got by dismantling the old Anche house at Yellespura be utilized for this.

No. 8 may be sanctioned but the work to be executed in consultation with D. P. W. Sub-Division Officer.

A detailed estimate to be prepared by the Amildar and placed before the next meeting with regard to work No. 9.

Plague Department to be addressed with regard to No. 10.

8. Read Channarayapatna Amildar's report proposing the execution of the following works:—

- (1) Construction of stone work for the drawing well sunk by the villagers of Mallenahalli, Dendignahalli hobli, Rs. 186.
- (2) Improvement of Jodakatte for public use by the side of Bangalore-Mangalore road belonging to Herehalli boundary in the 4th furlong, 103th mile, Channarayapatna taluk, Rs. 255.
- (3) Construction of musafirkhana at Chamrajnura village on the 22nd mile from Arsikere in the Arsikere-Channarayapatna road.
- (4) Construction of the road from Hirisave to Nonavinkere (Dasara subject).
- (5) Construction of box drains specially from District Funds on both sides of Sante road leading to Doddabetta at Sravanbelgola—the work for the road itself is being executed by D. P. W.

Resolution.—Work Nos. 1 and 2 may be sanctioned.

Work No. 3 to be put off till next year for want of funds.

The President, District Fund Board, Tumkur Circle, to be again addressed with regard to No. 4.

The Amildar to submit a sketch for No. 5.

9. Read Arkalgud Amildar's report Nos. 212 and 246, dated 24th August 1898, and 1st November 1898, proposing the execution of the following works:—

- (1) (a) Construction of drinking reservoir in the pond at Mallipatna, (Rs. 215) and (b) Repair of the old well at the temple there, Rs. 499.
- (2) Construction of tunnels for Kalli Muddanahalli-Bagur road, Rs. 450.
- (3) Construction of tunnels for Konanur-Tharagalale road, Rs. 1,200.
- (4) Construction of tunnels for Arkalgud Holalgud, Somavara, sante road Rs. 1,500.
- (5) Construction of tunnels in Gubbi-Marur road, Rs. 200.
- (6) Construction of a ghat at the portion of the Konanur tank where the villagers take water.

Resolution—Work No. 1 (a) may be sanctioned and 1 (b) to be put off for consideration at the next meeting.

Work Nos. 2, 3, 4 and 5.—If funds are available a sum of Rs. 1,100 may be provided at present for the construction of tunnels provided the Amildar submits a pakka sketch and the estimates within the limit allowed.

No. 6 to be put off.

10. The statement of works proposed by the Amildar of Belur was placed before the Board.

Resolution.—Of the works proposed the Board observed as follows:—

- (1) The construction of a drinking-water well at Siddarhalli is approved, provided the raiyats pay contribution to the extent of $\frac{1}{3}$ the estimate, *viz.*, Rs. 550, before the work is put in hand.
- (2) Construction of a road to Hanike sante from Hassan-Chikmagalur road and construction of a drinking-water well at Hebbal village, can be undertaken by the raiyats themselves.
- (3) There is no need for the construction of a cart-track for 7 miles from Halebid to Adahalla ghat *via* Salgame, as it is under consideration to open a road to Halebid *via* Salgame, nor is there need for the construction of a drinking-water well at Chatchatnahalli.
- (4) Instead of a rest house at Bikkod, a cart-stand may be built at a cost of Rs. 750 as it will be very useful for the large number of persons that collect at Bikkod on shandy days.
- (5) The necessity for the stone work of the drinking-water well at Hanike may be considered after the well is fully excavated and the money promised by the raiyats is fully recovered.

11. Read the following works proposed by the Amildar of Manjarabad.

- (1). The construction of a cart-track from Saklespur to Kenchammana Hoskote *via* Mattisagar-Kongadavalli and Hale Belur.

- (2) Improvement of the tank at Huradi village, Hanbal hobli, and the necessity for the appointment of a sweeper for the newly constructed musafirkhana at Saklespur.

Resolution.—Work No. 1 cannot now be undertaken.

The raiyats should do work No. 2.

The Government be moved to provide a sweeper on Rs. 7 per mensem for Saklespur musafirkhana.

12. Read Alur Deputy Amildar's report No. 89, dated 30th October 1898, proposing the execution of the following works:—

- (1) Construction of a road to Merve *via* Karkane.
- (2) Construction of a road from Alur to Chikanagal and Hosahalli.
- (3) Stone work for the drinking-water well at Muradur.

Resolution—Work Nos. 1 and 2 to be put off for want of funds, and the 3rd to stand over pending investigation by the jamabandi officer.

13. Read Holé-Narsipur Amildar's report No. 22, dated 21st September 1898, stating that the pay of the sweeper attached to the musafirkhana at Holé-Narsipur be raised by one rupee.

Resolved that the sanction of Government be applied for for increasing the pay of the sweepers attached to musafirkhanas by Re. 1, making it uniformly Rs. 6, and for the appointment of a sweeper on Rs. 7 per mensem for the musafirkhana at Saklespur (*vide* Resolution para 11 above).

14. Read Belur Amildar's report forwarding an estimate for Rs. 320 for repairing the musafirkhana near the bridge at Belur and stating the necessity therefore.

Resolved that the building be not sold as originally decided by the Board, but reserved for the use of the Plague Department who will attend to its repairs.

15. Read correspondence received from Amildars *re* levy of tax on temporary shops and carts in places where big weekly fairs are held in their respective taluks, so as to cover the cost of conservancy of sante "malas."

Resolved that the subject be placed before the Board at the next meeting.

16. The following papers were read for the information of the Board.

- (1) Government Proceedings No. 1564-65—L F. 259-96, dated 28th July 1898, stating that supplemental budgets should always be submitted at least three months before the close of every year.
- (2) Government Proceedings No. 1794—L. F. 66-97, dated 5th August 1898, declining to sanction a grant-in-aid from "Local Funds General" on certain works in the Shimoga district which are essentially "local."
- (3) Government Proceedings No. G, L 3206—Legis. 16, dated 29th August 1898, issuing with remarks certain rules framed under the Mysore Village Sanitation Regulation I of 1898.
- (4) Government Proceedings No. 4159-95—Mis. F. 15-96, dated 23rd September 1898, passing orders regarding the mode of calculating fees for the occupation of travellers' bungalows.

Resolution.—Recorded.

NEVILLE PRIESTLEY, Traffic Manager.

THE CHIEF COMMISSIONER OF COORG.

Notification, dated 8th February 1899.

No. 5. Tenders are invited for the exclusive right of the sale of opium, preparations or admixtures of opium, and intoxicating drugs prepared from the poppy other than preparations or admixtures of opium used for smoking, in the Province of Coorg for 3 years, viz., from the 1st April 1899 to 31st March 1902. The tenders for the above must be made subject to the following conditions:—

2. A deposit of Rs. 100 must accompany the tender. The covers should be superscribed with the words,

"Tenders for the sale of opium, preparations or admixtures of opium, and intoxicating drugs prepared from the poppy other than preparations or admixtures of opium used for smoking," and must be sent to the Commissioner of Coorg on or before 12 noon, on Monday the 20th March 1899, after which no tender will be received.

3. The tenders shall specify the amount which the parties tendering undertake to pay to Government annually as rent for the exclusive privilege of sale of the said articles. The rent will be payable quarterly, in advance, that is, on 1st April, 1st July, 1st October and 1st January of each year.

4. The tenders will be opened by the Commissioner, or in his absence, by one of the Assistant Commissioners at Mercara at noon, on Tuesday the 21st March 1899, in the presence of those applicants who may be present. The final disposal of the tenders, will, however, rest with the Chief Commissioner of Coorg, who reserves to himself full power to reject any or all of the tenders without assigning any reason. The deposits made by the applicants whose tenders are rejected will be returned to them.

5. The applicant whose tender may be accepted by the Chief Commissioner shall be required to deposit within 3 days a further sum in cash, or currency notes, or Government Promissory notes to make up together with the deposits previously made, a sum equal to half of the annual payment or rent guaranteed, such deposit being eventually applied towards the instalments due for the half year, ending with 31st March 1902, and further, he shall, within 10 days of the acceptance of his tender by the Chief Commissioner, execute an agreement in the prescribed form on stamp paper, binding himself to conform to the rules prescribed under the Opium Act I of 1878, and shall give security for the fulfilment of the engagement entered into by him, and if he fails to do so, the deposits already made shall be forfeited to Government and the contract shall be otherwise disposed of.

6. In the event of the contractor failing to pay up any instalment on the date on which it falls due, the Commissioner of Coorg shall be at liberty at once to cancel the contract, and to confiscate the deposit, the lease being re-sold at the contractor's risk.

7. The number of shops to be opened for sale of the articles aforesaid in Coorg is restricted to three, viz., one at Mercara (Mahadeopett), one at Vajendrapett and one at Somvarpett.

8. No other shops than those specified in paragraph 7 above, shall be opened except under the special sanction of the Commissioner.

9. The persons appointed by the contractor to vend by retail at the several shops above enumerated must be furnished by him with licenses approved and countersigned by the Commissioner of Coorg according to the forms prescribed by law.

10. All opium required for vend must be procured through the Commissioner of Coorg on payment of the price fixed by the Chief Commissioner, and on the expiry of the contract the remaining contractor shall be bound to take over, if so required by the Commissioner, any opium, preparations or admixtures of opium and intoxicating drugs prepared from the poppy other than preparations or admixtures of opium used for smoking that may remain unexpended belonging to the former contractor to the extent of 2 months' supply at such price and in such quantities as the Commissioner shall adjudge.

11. Further particulars may be ascertained on application to the Commissioner of Coorg, Mercara.

K. D. ERSKINE, *Captain.*
Secy. to the Chief Commissioner.

NOTICE.

A reward of Rs. 100 is offered by Mr. Birur Patre C. Rudrappa, 'Chikmagalur,' for the recovery of the undermentioned Currency Note, which was lost by him while going through the streets of Chikmagalur.

PAPERS IN CONNECTION WITH THE BUBONIC PLAGUE.

Notification, dated 17th February 1899.

It is hereby notified for the information of the public that the Senior Surgeon and Sanitary Commissioner with the Government of Mysore has authorized Sub-Assistant Surgeon Mr. G. David of Seringapatam to inoculate and to grant certificates of inoculation.

Diary of Chief Plague Officer, Bangalore City, dated 19th February 1899.

Left 7 A. M. Devanballi for the hill at the foot. I met the Amildar of Chikballapur who had kindly come to arrange for my transport up the hill.

The Plague Inspector of Devanballi accompanied me up to Kodgurke, which village I inspected. It was completely evacuated, up to date 6 cases have occurred here. The villagers seem to understand the advantages of evacuation more than the townspeople; and no sooner a case or two occur in a village the inhabitants take to their fields where they put up their huts at their own cost Hindus and Mahomedans alike. The latter have no Maccai to preach to them or quote the text from the Koran, at Devanballi the Mahomedans were at first rather slow to evacuate chiefly due to the threat held out by the Barra Emam that if they left the town he would not go to their houses for any religious ceremony but subsequently a case or two occurred in his own family, and he had to evacuate, and the rest of the community chose to do as he did rather than what he preached.

Arrived at the bungalow at about 11 A. M.

Extract from the Diary of the Plague Officer, Kolar, for the week ending Friday, 24th February 1899.

* * * Thursday, 23rd February 1899. Left Kolar for Malur. Inspected Wakleri *en route*, found the streets swept and the villagers with the shekdar and patel at their head very busy cleaning up and removing all filth and manure from their backyards; went out to Lakkur in the afternoon. The village, consisting of 302 houses, and a population of 2,180 souls, has been wholly evacuated, the people living out in the surrounding fields in *jopadis*.

There have been altogether 6 attacks and 5 deaths from the 23rd January (the date of the first attack) up to date.

The first indication the people had of the village being infected was the finding on the 17th January of some dead rats in the house of a Banajigar named Ramiah. The next day (18th January) about half of the village was evacuated, and by the 22nd the whole village community had turned out. On the 23rd January a Banajigar woman named Hanumakka, who lived a few houses off that of Ramiah, developed plague and died the next day. On proceeding to disinfect her house in the village, the Amildar found several dead rats in it. There is therefore no doubt that she carried the infection with her into the open. On the 2nd February, Ramanjah, the brother of Ramiah above named, died of plague. The last attack, that of a Madiga woman named Mooni, occurred on the 17th. She appears to be improving. The promptitude with which the village was evacuated is very commendable. The people looked healthy and appeared very cheerful. Returned to Malur at 7 P. M.

At Malur, inspected the town in which the first step towards disinfecting the houses is being taken, *viz.*, unroofing them to let in sunshine and air. There have not been any attacks or deaths during the past 10 days or fortnight.

Chintamani and Kolar also send in clean bills for the past week.

KADUR DISTRICT.

The 16th January 1899.

It is hereby notified that in satisfaction of arrears of land revenue due by jodidar Suryanarayana, defaulter, the undermentioned immovable property, which has been declared forfeited, will be sold by public auction at the Taluk Cutcherry, Chikmagalur, Kadur district, on the 27th February 1899. The sale will commence at 11 A. M., and the property will be knocked down to the highest bidder without reserve.

2. The amount of revenue payable by the purchaser on the property for the whole of the year 1897-98 is as shown in detail in the statement at foot.

3. Purchasers will be required to deposit twenty-five per cent of the purchase money at the time of sale, and where the remainder of the purchase money may not be paid within fifteen days from the day of sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made nor the remaining purchase money paid up, the property shall be re-sold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents, and in the latter case to deposit a written authority signed by their principals; otherwise their bids may be rejected.

6. The sale shall be stayed if the defaulter, or any person acting on his behalf or claiming an interest in the property, tenders the full amount of the arrears of revenue with the interest and other charges, provided such tender be made before the property is knocked down.

7. The sale of the property will not become absolute until confirmed by the Deputy Commissioner.

8. Purchasers having completed the payment of the purchase money will, as soon as the sale has been confirmed by the Deputy Commissioner, be placed in immediate possession, and the property will be registered in the name of the purchaser, and a certificate of sale, signed and sealed by the Deputy Commissioner, will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description or in estimated extent.

9. Provided, parties deeming themselves aggrieved by the sale, shall be at liberty to appeal to the Deputy Commissioner within thirty days from the date of sale, and also to appeal to Government against his order within the time prescribed by law, and the purchase shall be conditional till the final order in such appeal.

Notice, dated 23rd January 1899.

Tenders are hereby invited for the supply of the undermentioned quantity of writing and printing papers required by the Mysore Government for the official year 1899-1900.

Each tender must specify the lowest rate per ream of each kind of paper at which the tenderer agrees to supply. The rates must include, baling, shipping and carriage and all other charges up to delivery at the railway station at Bangalore, whence the goods will be carted to Depôt at Government cost.

Tenders should be sealed and addressed to "The Superintendent of Stationery, Mysore Government, at Bangalore;" and despatched so as to reach him on or before the 20th February 1899, after which date no tenders will be received.

Tenders may be made for the whole or any part of the requirements.

Acceptance of the successful tender will be communicated as soon as possible.

The contractor will be required to forward the goods in quantities as they are indented for within a month from the date of receipt of the indent.

As soon as intimation of the acceptance of the tender is received, the contractor will at once arrange to supply the required quantity of papers and have them ready so that there may be no delay.

Each tender should be accompanied by 6 sheets of sample paper which the tenderer undertakes to supply. Name of the paper, weight of it per ream, and the name of the tenderer, should be mentioned on the sample.

Further details on application to the undersigned.

Circular letter No. 234, dated 10th January 1899, from the Superintendent of Mysore Government Stationery Depôt, to all the Heads of Departments and offices.

It is requested that annual Indents for Stationery and Printed forms required for the year 1899-1900 may be caused to be prepared correctly with due regard to the requirements of the year and forwarded to this office punctually on or before the 15th February 1899, as prescribed by Government. Casual requisitions for forms, needed as required, are often sent to Stationery Depôt which cause not only much inconvenience and delay in the despatch of other work, but entail loss to Government, when the forms have to be re-printed. The Indents should therefore provide fully for the requirements of the year.

2. Forms not sanctioned by Government should not be entered in the Indent. Sanctioned serial number of the form should invariably be given with precision and detail. Heads of Departments and offices are requested to scrutinize the Indents of their subordinate offices (both for Stationery and Printed forms) by comparing those of similar offices, with due regard to the requirements of each, countersign and forward Indents in duplicate to the undersigned on or before the due date, viz., 15th February 1899.

Subjects.

1. Consideration of accounts of receipts and disbursements, and also the vital and other statistics for the month of November 1898.

Resolution—Recorded.

2. Civil Surgeon's Docket No. 720, dated 17th December 1898, intimating that the high mortality is due to plague and fever complications, &c.

Resolution—Recorded.

3. Letter No. 1077—583, dated 6th October 1898, from the Secretary to the Government of Mysore, Public Works Department, stating that the Government have been pleased to order that from the 1st July 1898 the working and maintenance charges of Vanivilas Water-works be charged to the Municipality.

Resolved that the Government be moved to continue to maintain the Vanivilas Water-works out of the "Provincial Funds" for a few years more, as it is now very difficult even to collect the house-tax as many of the town people are vacating the town owing to the plague scare.

4. Consideration of the following estimates of works proposed :—

(1) For Rs. 140 for building a public fountain in Tallure Matt street, Fort Mohalla.

(2) For Rs. 135 for building a public fountain in the Arsu street, Fort Mohalla.

Resolution.—Approved.

PAPERS IN CONNECTION WITH THE BUBONIC PLAGUE:

CIRCULAR.

As there has been great diversity of practice in preparing the daily plague reports in the form prescribed in this office Circular No. 5206—13, dated 28th December 1898, the following instructions are issued for the guidance of Deputy Commissioners and Officers on Plague duty :—

1. The report should contain all cases reported at district head-quarters from midnight to midnight of the day previous to the writing of the report.
2. The date on the top of the report should be the date of the day to which the return refers, the date at the bottom left-hand corner should be the date on which the return is written.
3. The return should be, under no circumstances, allowed to miss the post each day; any failure in this leads to confusion and inaccuracy in the compilation of the Provincial return in this office, and if the failure occurs on the day the return of which should reach this office on Friday, it entails for that particular district inaccuracy in the weekly return which has to be submitted to the Government of India. In future any district responsible for this inaccuracy will be mentioned in the weekly report.
4. In the second column every village in which an indigenous case of plague has occurred during the two weeks previous to the writing of the return should be shown each day. If no report of Plague has been received for the day from any such village, no report from that village should be shown in the return: the village should not be omitted unless it has been free from any indigenous case of plague for a full two weeks prior to the date of the return.
5. In the third column the villages in which indigenous cases are reported for the first time should be shown as "newly" infected, while those in which indigenous cases occur again after an interval of two weeks or more should be shown as "re-infected."
6. In the columns "Imported" and "Indigenous" only the cases and deaths the reports of which have been received in the District office on the date given at the top of the report, should be entered.
7. In the column of "Total from commencement" the total number of cases and deaths that have been reported up to date, including the day's figures given in the previous columns, should be entered against each town or village mentioned in the second column.
8. The column of remarks should be written up in accordance with the instructions contained in this office Circular No. 5774, dated 11th January 1899 (see attached).
9. Sometimes considerable difference exists between figures furnished in the daily reports and those furnished in the weekly diaries of the District Plague Officer, as also between these figures and those in the Plague supplement of the diaries of Police Superintendents. These discrepancies should be avoided as far as possible and when they do occur should invariably be explained.

Notification No. 5884, dated Bangalore, 13th January 1899.

Under Regulation 19 of the Original City Regulations issued under the Epidemic Diseases

* 19. In any locality to which this rule is applied by the
Notification No. 5182—
Pg. F. 21-96, dated
14th October 1898. Plague Commissioner, the President may
by an order require that the certificate of a
Medical Officer shall be obtained showing
the cause of every death within two hours after such deaths.

After the issue of such an order, if a burial or cremation takes place without such a certificate having been obtained, the death may be presumed to have been due to plague, and the persons believed to have been in recent immediate contact with the corpse shall be liable to segregation and detention.

2. The President of the Municipal Commission, Mysore City, is authorized to issue the necessary orders for enforcing the above Regulation from that date.

PLAGUE COMMISSIONER'S NOTES OF INSPECTION.

Mysore, 22nd January 1899.

Inspected Veeranna's lines. It appears there is only one sweeper. The number of sweepers should be increased. One conservancy cart may be assigned for the lines alone. The practice of throwing sweepings and rubbish in the main drains should be stopped at once. The ground between the lines should be levelled and the hollows covered. The houses without roof are overgrown with rank vegetation. This should be removed and the houses roofed with thatch or tiles and made habitable and rented to applicants, of whom I noticed some from the different Mohallas.

2. Lamp-posts may be put up at all the main corners. The Police on watch duty may be increased to 6 constables under a sergeant. Earthen ware pipes should be laid to drain the fountain-sides. People should be encouraged to occupy the lines on obtaining a health certificate from a Medical Officer.

3. Four temporary latrines may be put up in convenient localities and arrangements made for their conservancy.

4. It is desirable that all persons with their effects should be thoroughly disinfected before admission to the lines. Two ordinary boilers may be set up, one under a Brahmin and the other under a Lingayat waterman, for heating water for bathing the applicants, and two boilers for steaming and disinfecting their clothes.

MINUTES OF A MEETING HELD IN THE RAN
MEMORIAL HALL, MYSORE, AT 4 P.M. ON
21ST JANUARY 1899

The Plague Commissioner in Mysore in the chair.

Deputy Commissioner, the Chief Plague Officer, the Health Officer, the Vice-President of the Municipality, the Ward Civil and Medical Officers, the Superintendent of Police, &c., were present.

Ward arrangement.

There has been a considerable rise in plague cases in the Northern Ward. The work of passes also has increased. The members present think that an Assistant Civil and Medical should be appointed to assist the Ward Officer, No. I Ward.

ek Abdulla to be Assistant Ward Officer with an allowance of Rs. 50. 1st Class Hospital at Darashah will be Assistant Medical Officer. Miss Paul to be Lady Hospital Assistant at No. I, assisted by two nurses.

c. Ananda Rao is in charge of Ward No. II with Mr. Rangasami Pille as Medical Officer, assisted by two nurses.

c. Zahiruddin Meccai is Ward Officer for Ward No. III, with Mr. Gnanapriam Pille as Medical Officer, assisted by one nurse.

Supervisors.

The Chief Plague Officer says that Supervisors for all the 100 blocks have been appointed and to report themselves to the Ward Officers, and he expects the record to be completed by the end of the month. The form of Register is the same as that adopted in Bangalore.

Record of Plague deaths and total mortality.

i. There are fifteen burial and burning grounds and at 11 of these one literate constable assistant and two watchmen has been posted. The other 4 are not now watched. It is proposed to effect improvements in the existing staff and assign a constable or watchman to each of these four. Two Sergeants whose work is overlooked by an Inspector supervise the work of the constables and watchmen. The present arrangement is that at 6 p. m. every evening the constable brings to the Health Office a slip in the form prescribed showing the burials and cremations for the day with the dates of death covering the corresponding period. These are checked with the counterfoils of certificates of burial issued by the different Medical Officers appointed for the purpose, and published next morning. The total is shown also the mortality as given in the Erangere Camp Superintendent's report for the day. There are now 15 such Medical Officers including 3 Lady Doctors.

System of passes and observation notices.

4. From about the middle of December there has been a tendency for people to move out of the city. System of passes and observation notices was adopted in No. I Ward on 15th December, and in other Wards from the 15th of January. Nine road outposts have been established manned by four constables under a Sergeant each. No pass issued without examination of applicants by the Ward Medical Officer. The applicants are not disinfected. At the Railway Station there are 8 Constables, one Sergeant and one Head Constable for checking passengers coming into and leaving Mysore. There is an Inspecting Medical Officer and a Lady Apothecary at the Railway Station.

Disinfection.

5. The disinfecting machine has been put up but the boiler has not been received. The disinfection shed is in course of construction within the Railway premises.

Watching infected houses.

6. The infected houses are being watched by a Policeman under the new regulation, but the watch is admittedly defective and may as well be dispensed with.

Disinfection.

7. Eighty men are now employed on disinfection work, working under 3 Inspectors, one Assistant Superintendent and a Superintendent. They do on an average 16 houses a day. The work seems to be satisfactorily done.

Removal of insanitary houses.

8. The same establishment will be employed on removing insanitary buildings condemned by the Chief Plague Officer or the Health Officer under Regulation 6 A, page 25 of the Compilation.

Conservancy.

9. The conservancy of the City requires looking into. The staff of sweepers and scavengers should be strengthened to enable the President to cope with the extra work imposed by the Plague. The Government have lately sanctioned 15 carts in addition to the existing number.

Engineering Staff.

10. The Assistant Engineer with two Sub-Overseers lately transferred to Mysore will, in addition to carrying out improvements and additions to the Erangere Camp Hospital, help the Plague Officers in the improvements indicated in para 8.

General Improvements.

11. With the 1,17,000 Rs. sanctioned by Government improvements were started in the beginning of August 1898. 554 houses, particularly in the congested localities of Bester, Chikmagalur and Mochighaut, have been acquired and demolished at a cost of Rs. 55,304-15-5. The number of lanes opened out is 3½ miles.

Exodus.

12. The number of persons that have left Mysore up to date under passes is 4,791. The number of houses deserted or evacuated is 516 upto 20th January. The total number of houses in the City is 15,877.

Inoculation.

13. The total number of inoculations up to 20th January is 28,145, of whom 3,169 up to 6th January 1899 are Muhammadans. The average weekly inoculations latterly are from 500 to 800.

Protection of the Palace.

14. I regret that the Palace Controller has not been able to attend the meeting to advise the Plague authorities as to what is being done for the protection of the Palace. I understand that the Police Inspector on plague duty in the City sends a copy of plague returns to the Controller. This is utterly insufficient to protect the Palace. I consider a separate Civil and Medical Officer should be appointed for the Palace to examine Palace servants and workmen, and send a report to the Chief Plague Officer and Health Officer. There should be a strict watch maintained on all Palace servants living outside the Palace precincts, and none should be admitted into the premises unless supplied with a pass from the Ward Officer of their place of residence. The workmen employed on Palace restoration being foreigners may be accommodated in separate sheds to be built for them somewhere behind Veerannah's lines.

15. The Deputy Commissioner says that building materials valued at Rs. 5,000 are available at the Forest Depôts. Free issues to the value of Rs. 395-10-9 have been made up to date and Rs. 1,147-2-4 worth on payment.

Proceedings of a Special Meeting convened for the purpose of concerting measures for the protection of the Palace, Mysore, dated 23th January 1899

Present.

The Plague Commissioner in Mysore in the chair.

The Senior Surgeon and Sanitary Commissioner with the Government of Mysore.

The Deputy Commissioner of Mysore.

The Palace Controller.

The Durbar Bakshi.

The Chief Plague Officer, Mysore.

The Health Officer and

The Ward Civil and Medical Officers.

The Palace Controller and the Durbar Bakshi say that it has been decided to isolate all the Palace servants who do not live on the premises, and that the Chetnahalli Road Camp has been placed at their service by the Deputy Commissioner. When the Palace servants and their families are so isolated, it is proposed that they should be examined every morning by a Medical Officer and the fact of their being free from disease noted on a ticket to be issued to each man.

2. A Civil Officer will be appointed by the Deputy Commissioner to be posted at the Palace, who will see that none without the ticket above mentioned are allowed to go into or remain in the Palace.

3. The Palace servants will further be supplied with a suit of clothes to be worn when they enter the precincts, the clothes worn by them outside being left at the gate. They will further wash their feet in a disinfectant solution every time they enter the Palace.

4. The Palace Controller has agreed to have a complete list prepared of all Palace servants showing where they live, with a view to enable the plague authorities to give information of any cases of sickness in their neighbourhood. This precaution is to be taken until the servants and their families are finally removed to camp.

5. The Palace Controller has agreed to send the address of each Palace servant to the Ward Officer, through the Chief Plague Officer, and when such addresses are received, the Ward Officer will take immediate steps to mark the house of the Palace servant with a big A in red paint to distinguish the house.

6. The Palace Barr, the Val-kars, Bestars, Rachevars and the Body Guard will be similarly camped out.

7. The Senior Surgeon will be requested to appoint a Medical Officer to be attached to the Palace exclusively for Plague work.

8. The Chief Plague Officer will, either directly or through the President, place himself in communication with the Executive Engineer in charge of the Palace restoration works, and adopt measures for the daily examination of the workmen, accommodation in a separate camp being provided for such of the workmen as are willing to evacuate their houses in the town and particularly for those that have no fixed habitation in the City.

Extract from the Diary of, the District Plague Officer, Bangalore, for week ending Friday 20th January 1899.

The town of Magadi is practically vacated with the exception of 20 houses or so out of a total of 800. It is however in a filthy condition, and the streets do not appear to have been swept since it was evacuated. It is true that the sweepers have run away but they have done this everywhere but have nevertheless been brought back somehow or other. This I pointed out to the Amildar.

The roofs have been taken off infected houses, but I have ordered them to be taken off all the houses and notices affixed to the effect that no one will be allowed to re-enter until disinfection has taken place.

The komties have built themselves more or less pukka houses a mile from the town as they appear to think that they will have to camp out for a year. Their surroundings were very untidy, in fact everywhere the conservancy of Magadi appears to have been neglected.

The Plague Inspector seems to have been neglecting his duties. I shall look into his case, and if I find it is so will appoint some one else in his place.

Camp Magadi, Friday 20th--

* * * * *

The state of the sanitation is simply appalling, and what it must be like when the place is full of people is horrible to think of.

The sanctioned staff of sweepers (10) is quite insufficient.

Magadi is composed of four hamlets as it were, Magadi, Hospet, Tirumali and Kumbergodi, and it is curious to note that the plague has only broken out in Magadi itself and not in the other three places.

I don't know how to account for this, unless it is owing to the highly insanitary condition of the backyards of the Brahmin and Komti houses in Magadi itself. The other hamlets are occupied more by agricultural classes, who to a certain extent remove this manure themselves; this the other people don't do, and unless it is removed for them it accumulates.

I think the plague is practically at an end here now as there have been only 2 cases a day for the last 2 or 3 days, there is however lot of work for the local authorities to do in getting the place into ship-shape order.

Kaukanhalli Amildar reports that he has vacated the whole of Harohalli and that plague is decreasing there. The rest of the taluk including the head-quarters is free from plague.

Abstract from the Diary of the Chief Plague Officer, Bangalore City, dated 20th January 1899.

* * * * *

I was told by Municipal Commissioner Muniappa that there was a case of plague yesterday in Nagarathipetta within the limits of No. III Ward. I went to No. III Ward and enquired of the case. The Ward clerk told me no plague case had occurred and the death register showed deceased by name Puttaswami had died of diarrhoea. I however was not satisfied and drove to the house of the deceased and enquired of the deceased's neighbours. One of them, an uncle of the deceased, told me that the boy's brothers and mother were living in Nainappa Chettypaliam, a village in Begur hobli, that two brothers had died of plague there, the one on the 19th and the other on the 18th, that the deceased had visited the Paliam returning on Saturday or Sunday last, and that he was taken ill on Tuesday and died yesterday 19th.

In order to verify this statement I examined the Supervisor and his block book. The Supervisor stated the boy had been living in the house since the day of the census. There was no entry showing sickness, but there was an entry of the death.

Not being satisfied I went to the Nainappa Chettypaliam to verify the uncle's statement, and there I found that what he said was perfectly true; the death of the deceased's two brothers from plague, and the visit of the deceased to the village were facts, and at the time of my visit the mother was also suffering from plague.

An aunt of the deceased told me that Puttasami had come to the village on Thursday, stopped Friday and returned to Bangalore Saturday or Sunday.

It seems that the family left Bangalore at the time of the plague scare and settled in the village but were, by means of a foot-path running by the side of the Lal-Bagh, in daily communication with the rest of their community in Bangalore.

On my return I questioned the Ward Officer and Ward Medical Officer about the case, but their answers were not satisfactory.

The Ward Officer in his diary of 19th mentioned the death of Puttasami as due to fever. The Ward Medical Officer gave the cause of death as diarrhoea. The grandmother of the deceased who had been living in Bangalore had left it three days before, but her absence had not been noticed by the Supervisor, nor had Puttasami's frequent absence been noticed by him. I consider the whole affair most discreditable to the Ward Officer, Ward Medical Officer and Supervisor and their ignorance of the cause of death is the more inexplicable in that the case was the talk of the locality.

I have ordered the immediate disinfection of the house and those adjoining and the sending of the contacts to camp and their subsequent prosecution.

Extract from the Diary of the additional Assistant Superintendent of Police,
Bangalore district, for the week ending the 21st January 1899.

21st Saturday.—The town of Tyamagondlu—Houses 900 with 4,000 population, bears a deserted look. Every house has been closed. I believe the Townspeople very readily listened to the advice of the Amildar and vacated the town in 2 days. Within a radius of 3 miles of the town one will see rows of huts and camps. The Komati camp is of all the best. It is divided into two blocks consisting of 70 houses—situated on an elevated ground about 1½ miles distant from the town, the camp is free from all contamination. Wells have been sunk, and excellent water tapped within easy depths. The camp has been sufficiently victualled. A small shop with ordinary provisions has been opened at the outskirts of the camp to enable outsiders to purchase what they want.

The Amildar has kindly provided the camp with some lanterns and a sweeper to look after the conservancy.

There was a case of plague in the Lingayat camp which is far away from the Komatis. The party attacked was a dumb woman. She has been segregated and is being treated with Tanjore pills.

Extract from the Diary of the Chief Plague Officer, Bangalore City, dated 22nd January 1899.

Returned home at 12-30 when I got a letter from No. II Sub-Ward that two cases of plague of which one had proved fatal, occurred this morning at Chamarajpet, 4th Main Road. Did office work in the afternoon at home, left for Chamarajpet at 6 p. m., met the Ward Officer and with him went to the affected house for enquiry. The inmates who were all uninoculated numbering five were taken to the Camp. There were on the night of the census 14 people living in a small miserable low-situated house. Eight out of these left subsequently and are now living in Cubbonpetta, No. III Ward. Dead rats were subsequently found in the house. On this account the house-owner put up a shed behind his house, and was living in it for some days. He returned inside the house again a few days ago and the inmates caught the infection. The supervisor did not report until after death, and that too after his attention was drawn by the Police. He is a schoolmaster lent for plague duty. Chamarajpetta had a clean bill of health since the 30th of last month, and the occurrence of these cases after such an interval is very much to be regretted. The question is where the rats could have got infected, whether they got infected in the house itself and died there, or whether they brought the infection from some other part of the town. I do not think rats travel any distance unless they be starving; the owner of the house, although a Devangar by caste, is a Dasari and goes about the town begging. It is said that he picked up a lot of grain from Taraspetta when the mandis there were being cleaned. According to Hankin grains do not retain infection for any length of time, but possibly the rats got it from the picked grain, supposing it was infected, and kept up the infection in this house. I give the theory for what it is worth. The facts are as stated above. One of the attacked boys was also serving in a grain shop situated near the Police Station in Chamarajpetta.

Diary of Mr. T. Bava Rao, in charge of the Mysore District Plague office, for 24th January 1899

In the morning inspected in company with the Mysore Taluk Amildar, Kumbarkoppal, a village about 3 miles from Mysore. It is infected, and the villagers are evacuating it; about 40 families have already camped out, and the rest are putting up sheds outside the village. The villagers, after the recent visit of the Plague Commissioner and Deputy Commissioner, are reasonable on the whole, and are willing to obey the regulations.

2. I went through the lanes of the village and inspected the patients. The village is fairly clean. I examined 3 sick cases who seemed to be improving and who had no characteristic plague symptoms, buboes, injected eyes, or furred tongue.

3. The mortuary register was not written up to date, and the entries therein were not chronological. It is very important that this register should be very systematically kept. The Amildar was requested to see to it.

4. No arrangements for disinfection of infected houses had been made. A disinfection staff was ordered to be entertained without delay under a competent Inspector, as per Deputy Commissioner's orders and the systematic disinfection of houses started.

5. The ryots want to stake their cattle in the village itself, but this will entail the entering into infected houses and in great measure nullify the beneficial effects of camping out. The cattle may be kept in open outside or in the tope with a fence all round.

6. The Patel informed us that dead rats were found in Padavarhalli, which is within the city limits. I have informed this to the Chief Plague Officer.

7. The Amildar says that Kumbarkoppal is the only village in the taluk known to be infected. But it is probable that other villages are also infected; and the Amildar should arrange through the local Police and Revenue officers for a regular patrol of the rural tracts for obtaining the earliest possible intimation of the occurrence of plague. A more systematic examination of mortuary returns to be received daily from the villages is, I think, called for, and orders may be issued to the Amildar of this taluk and other affected taluks in this matter.

MEMO.

As personally instructed by the Deputy Commissioner, I have this day inspected the belt of the unprotected villages of the Channarayapatna taluk bordering on the Krishnarajpete taluk. They are 12 from Channarayapatna to Dinka. The statement below shows at one glance their sanitary condition, the arrangements existing in them to meet plague, and whether the prescribed registers are maintained, &c.

Serial No.	Name of village.	Sanitary condition.	Whether the register of arrivals from infected parts is maintained.	Whether sheds have been built.	Whether Plague Commissioner's leaflets about plague is issued and understood.
1	Cholenhalli Clean, but manure and other pits not closed.	Yes	No	No
2	Paasamudra Ditto ...	No	do	do
3	Hiribellatti Dirty-pits not closed ...	Yes	do	Issued but not understood
4	Chikabellatti Clean, but manure and other pits not closed.	No	do	No
5	Waddarahalli Dirty, the manure and other pits not closed.	Yes	do	do
6	Suganahalli Ditto ...	Do	do	Issued but not understood.
7	Guruganahalli Clean and pits closed ...	Do	do	No
8	Kurubahosahalli Clean, but manure and other pits not closed.	Do	do	do
9	Alladahalli Ditto ...	Do	do	do
10	Danmaningala Ditto ...	Do	do	do
11	Hominahalli Clean and pits closed ...	Do	do	do
12	Dinka Clean, but manure and other pits not closed.	Do	do	Issued but not understood.

The patels of these villages do not know the use of the registers given them. They had bundled them up along with other registers and papers and it was with great difficulty that they were picked up for my inspection. The patels have no idea of what plague is and what should be done to prevent its spread should it ever break out; much less do they know what measures should be adopted to isolate cases of plague. Most of them have not been supplied with the Plague Commissioner's useful leaflets about the nature of plague and the action to be taken on its appearance; and the few that have got them have not endeavoured to understand their contents. I have explained to them in detail what plague is, what should be done, when it breaks out, and what measures should be adopted to arrest its spread. But I am afraid they are likely to consign my instructions to oblivion if their memory is not refreshed constantly by subordinate Police and Revenue officials, who do not seem to realize their responsibility in this important matter. Repeated warnings are also necessary to the patels to keep always their villages clean and their surroundings healthy.

I have given the Inspector, who was with me during the time of my inspection, the necessary instructions on the subject.

As plague has made its appearance in Mysore I have also instructed the patels to maintain strict watch over arrivals from that place, and have also explained to such of the inhabitants of the above mentioned villages as I can find, the danger they would expose themselves to by going to Mysore at this time.

(Sd.) P. NANJUNDA NAIDU,
Offg. Asst. Supdt. of Police,
Hassan District.

Dated 5th January 1899.

The conduct of the Amildar of Channarayapatna in neglecting to see that all his patels knew and understood the contents of the plague leaflets issued a year ago seems to need severe notice.

PLAGUE PREVENTIVE MEASURES.

*Warning to those who occupy deserted houses.**The 27th January 1899.*

Notification No. Pg. 524, dated 23rd November 1898, of the Government of Mysore, prohibits the re-occupation of deserted houses before obtaining a certificate from the President of the Municipal Commission or the Chief Plague Officer or the Health Officer that such a house is habitable without danger of infection to its inmates.

2. On the 7th January, Seshappa and Rangasami were charged before Mr. Sitaramiaya, 1st Class Magistrate, Bangalore City, with having occupied a deserted house and having removed a notice attached to it prohibiting such occupation. Both the accused were found guilty of an offence punishable under Section 188 of the Indian Penal Code and sentenced each to pay a fine of Rs. 5 or in default to 7 days' simple imprisonment.

On the same day, Hanumantappa was charged before the same Magistrate with a similar offence. The accused was found guilty and sentenced to a fine of Rs. 5 or in default to 7 days' simple imprisonment.

On the 10th January, Lakshmanappa, a Pattergar, was charged with the offence of having re-occupied a house deserted for nearly four months. He was also found guilty, but in consideration of his indigent circumstances he was only sentenced to a fine of one rupee or in default to 3 days' simple imprisonment.

In paragraph 4, line 4, after the words "and 200 Rs. in other Courts" insert the following clause:—

"unless the amount is increased by special order of the Chief Court."

By Order,

V. A. R. RATNA MUDALIAR, Registrar.

INAM DEPARTMENT

Notification No. 2, dated 20th January 1899.

Inamdars are hereby informed that (852) Final Title Deeds for minor inams situated in the Anekal taluk, have this day been forwarded to the Deputy Commissioner of the Bangalore district for distribution.

2. They are accordingly to appear to receive the same on receipt of individual notices from the Amildar of the aforesaid taluk, who is hereby instructed to issue such notices without delay.

3. The *ad interim* extracts already issued for the above inams are hereby declared to be cancelled.

J. P. GRANT, Supt. of Inam Settlements.

FINANCIAL DEPARTMENT.

EXCISE DEPARTMENT.

General No. 292—R. E., dated 4th February 1899.

To—The Deputy Commissioners, Treasury Department, of all Districts.

As various irregularities and wrong entries are observed in the filling up of Toddy tree-tax chalan (D), prescribed in Government Notification No. 11676—Ex. 476, dated 14th June 1898, the Comptroller has the honor to issue the following instructions for the guidance of the treasury when farmers present monies with chalans—

1. The blank space in the heading of the chalan should contain the name of the shop on account of which trees mentioned in the space below are to be tapped and also the names of the farm and taluk in which such shop is situated.
2. The tabular blank space should contain no other names than those of the taluk and village in which the trees tapped are actually situated.
3. The Treasury officials alone should fill up the blank space provided for the prepayment and 2nd payment of tree-tax, clearly inserting therein the amount, the name of the farmer (and not that of the presenter of money) and the date of credit of the amount in the treasury.
4. The chalan should invariably bear the signature of the Treasury officer and the stamp and name of the Taluk Treasury to which they belong.
5. Separate chalan should be prepared and presented for trees tapped on account of each shop.

The District Treasury will, before submitting the chalans to this office, see that they are filled up in accordance with the above instructions and, if not so filled up, get them rectified.

F. R. SUBRAYER, Comptroller.

EDUCATION DEPARTMENT.

HASSAN DISTRICT.

The 28th January 1899.

It is hereby notified that in satisfaction of arrears of land revenue due by the undermentioned revenue defaulters the undermentioned immovable property which has been declared forfeited, will be sold by public auction at the Taluk Cutcherry, Hassan, on the dates noted in the accompanying schedule. The sale will commence at 11 A. M., and the property will be knocked down to the highest bidder without reserve.

2. The amount of revenue payable by the purchaser on the property for the whole of the year 1897-98 is as shown in detail in the statement at foot.

3. Purchasers will be required to deposit twenty-five per cent of the purchase money at the time of the sale, and where the remainder of the purchase money may not be paid within fifteen days from the day of the sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made nor the remaining purchase money paid up, the property shall be re-sold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents, and in the latter case, to deposit a written authority signed by their principals; otherwise, their bids may be rejected.

6. The sale shall be stayed if the defaulter or any person acting on his behalf, or claiming an interest in the property, tenders the full amount of the arrears of revenue with the interest and other charges, provided such tender be made before the property is knocked down.

7. The sale of the property will not become absolute until confirmed by the Deputy Commissioner.

8. Purchasers having completed the payment of the purchase money will, as soon as the sale has been confirmed by the Deputy Commissioner, be placed in immediate possession, and the property will be registered in the name of the purchaser, and a certificate of sale signed and sealed by the Deputy Commissioner will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description or in estimated extent.

9. Provided, parties deeming themselves aggrieved by the sale, shall be at liberty to appeal to the Deputy Commissioner within thirty days from the day of sale, and also to appeal to Government against his order within the time prescribed by law; and the purchase shall be conditional on the final order in such appeal.

PAPERS IN CONNECTION WITH THE BUBONIC PLAGUE.

Proceedings of the Government of Mysore.

READ—

Letter No. 6425, dated the 31st January 1899, from the Plague Commissioner in Mysore, stating that the Superintending Engineer, Sanitary Works, proposes to employ *two* draughtsmen on Rs. 25 each for preparing plans "for the allottees building houses" at each of the two Extensions, Bangalore City, and to meet the cost as far as possible by levying Re. 1 from each person to whom they are supplied, and requesting sanction thereto.

No. PG. 1101-2, DATED BANGALORE, 2ND FEBRUARY 1899.

ORDER THEREON—Sanctioned; the date of entertainment should be intimated to the Comptroller direct.

Extract from the Diary of the Superintendent of Police, Mysore district, for week ending Saturday the 25th January 1899.

1,005 houses have been vacated and are in the care of the Police, locked and sealed by the owners who have left for the country to escape infection.

The greatest number 410 is shown for the Mandi block with 210 in that of Lashkar, &c.

For the week the outpost registers show 1,060 persons having left Mysore, with 1,954 from the dates the outposts were opened out, i.e., about the 20th.

A large number however appear to have left before the 20th, and I would put it down to about 5,000 and more in all.

Inoculation is on the decline so far as can be gathered from persons attending the Town Hall for that purpose.

With the exception of Kumbarkoppal village, all other villages are healthy.

Extract from the Diary of the District Plague Officer, Tumkur, for the week ending 27th January 1899.

Monday the 23rd.

Halted at Kunchigeri for the night. The inhabitants of the place turned up in large numbers to see the Deputy Commissioner. The Deputy Commissioner explained to them at great length the various preventive measures adopted to cope with the plague and impressed upon their minds the advantages of inoculation and early evacuation. The next day inoculation was started in the town, and 101 persons came forward and got themselves inoculated. On our way back, on the 28th, Dr. Nanjappa inoculated about the same number and would have inoculated more had not the supply of serum that he had brought been exhausted. In this place no opposition was met with against inoculation. It is highly creditable of the Deputy Amildar that he educated the public feeling in favor of inoculation before an actual outbreak of plague took place.

Thursday the 26th.

Inspected the village of Raddihalli which is a Majra village attached to Kodigenhalli. In this village which has a population of 63 there were 3 attacks and 3 deaths up to the 10th of January and none since. The village was evacuated, and people were living in sheds in open fields. The infection seems to have been brought from Hindupur to which place the inhabitants of the village were going to buy articles of daily use at the weekly shandy.

The patel of Kodigenhalli, who is an intelligent man quite conversant with plague circulars, is also the patel of Raddihalli, and he had the latter village evacuated as soon as rats began to die in the houses. It is due to his prompt action that there were so few attacks in the village.

Friday, the 27th.

Tumkur Town.—There has been a further decrease in the number of plague cases. During the week under report, there were 6 attacks and 5 deaths as against 13 attacks and 10 deaths in the last week.

This steady decline has induced confidence into the minds of the people, and there has been a tendency already

Plague Commissioner's order—

People should be advised to wait a bit before returning to their houses and in no case should re-occupation be allowed until a responsible officer is satisfied that the houses have been thoroughly disinfected. In this connection the Deputy Commissioner's attention is invited to Regulations 6 (para 1, especially the last 2 lines and para 2), 9 and 11 of Notn. No. 9383—21-96, original Regulations for Mofussil. The disinfection of clothes and bedding of persons who have been camping out before their return into the town is strongly recommended; and in this connection the attention of the Deputy Commissioner is invited to Regulation 21A of the said Notification.

the town is receiving several applications daily for disinfection of houses.

on the part of the people who have left the town, to return to their houses. The officer in charge of the plague operations of

During the week under report, cases occurred in the marginally noted villages which have all been evacuated. There was one case at Urdgere, which was imported from Hindupur. The attacks at Devaruru were all amongst the inoculated. But deaths among them are very few.

The village of Ajalkote in the Tumkur taluk seems also to have been attacked. The Amildar of Tumkur reports in his diary of the 23rd that, while going to Heggeri, he heard that a girl of about 11 years of age, daughter of one Ibrahim Khan, had died of fever in the village of Ajalkote and that he went to the spot and found that the whole village was evacuated as dead rats were found in a neighbouring house. The people of the village are under observation and no case has occurred till now amongst them.

Diary of Mr. T. Bava Rau, Assistant Commissioner, Plague duty, Mysore, for 27th January 1899.

In the morning after waiting upon the Plague Commissioner, proceeded to Palhalli, an infected village in the French Rocks sub-division. The Superintendent of Police and Amildar were there when I went, as also Hospital Assistant Kyataiyya. The whole of the village has been evacuated, except one family in which there are two patients. These have been permitted to stop in the house which is fairly commodious.

2. The present arrangement is that the Hospital Assistant visits the village each day and goes round the sheds which are scattered at long distances. If cases are brought to his notice, then he inspects and diagnoses them. Hospital or English treatment is generally refused and so no system of treatment is in force. If a case of plague is detected a separate shed is got up and the patient and an attendant segregated there. The rest of the family are advised not to go there.

3. The Hospital Assistant and myself examined two cases in which buboes were present. One case was septicæmic, the eyes were injected and one eye was closed. The patients are all improving. I am glad to see the Hospital Assistant touches and examines the patients without fear, with precautions as to disinfection of his hands soon after.

4. The registry of cases is not satisfactory. I have directed the systematic inspection of each shed twice a day by the patel, shanbhog and the dafadar, with a view to ascertain all cases of sickness and death. The sheds will be numbered and a certain number allotted between each of these officials. The information to be placed before the Hospital Assistant at the time of his visit each day.

5. The same officials will also note arrivals and departures and see that arrivals from infected parts hold passes and observation notices and departures go out with passes and observation notices.

6. The village is being cleaned and rubbish collected and burnt. Some manure in front of the village was ordered to be buried or burnt. The Amildar has been requested to see to the thorough disinfection of all houses before re-occupation is permitted. The marking of infected houses has also to be done.

7. From Palhalli the Amildar and myself went Paschimavahini. The Plague Commissioner went to Bangalore by the 2nd train.

8. In the evening, I went to Seringapatam and Ganjam. The Amildar says there is no plague in Seringapatam. But some infected houses have not been properly marked, and one house in which a plague case occurred (the patient being subsequently removed) has not been disinfected for some time on the ground that it is locked up.

9. Then proceeded to Ganjam. The village is almost evacuated. Two deaths were reported today and the undertakers (Muhammadans) who were returning to Seringapatam were ordered to be detained and disinfected.

10. Two sheds are ready for a camp, but no one cares to occupy them. Two more sheds are in course of construction. But these, I think, are for the present unnecessary.

11. The Hospital Assistant inspects daily Ganjam, Seringapatam and Palhalli. He wishes to be relieved of the duty of inspection of passengers by rail at Seringapatam and Paschimavahini which is sometimes imposed on him. I think the Hospital Assistant's request is reasonable. The Assistant Surgeon Mr. Syed Umar, who puts up in Ganjam, may attend the trains. He may be given a free pass between Seringapatam and Paschimavahini.

12. Nurse Puttamma must, I think, be put entirely on plague duty and relieved of train inspection. The midwife attached to Seringapatam may do train inspection at Seringapatam and Paschimavahini in addition to her duties as midwife. She should also be given a free pass. Mr. S. Umar agrees to the above arrangements.

13. The Amildar thinks an ambulance staff for Seringapatam, Ganjam and Palhalli is necessary, and I have asked him to select the men. The Sub-Division Officer has also been addressed on the subject.

14. The clearing of Seringapatam and Ganjam is also going on.

Inoculation at the Dariya Daulat is also progressing.

15. A more systematic arrangement for daily supervision of the sheds and the record of sickness and death is also called for in the Seringapatam and Ganjam.

16. Returned to Mysore by road, inspecting Sidlingpura and Kalasvadi where no sickness is reported.

17. At Kalasvadi there is an outpost; only passengers from Mysore are here inspected and registered in a book. Persons from Ganjam side are allowed to proceed to Mysore. But since Ganjam is infected a similar restriction as regards passengers from Ganjam appears advisable.

18. A few constables are posted near the Municipal boundary who also only examine passengers from Mysore and see if they have got passes.

19. Returned to Mysore 7 p. m. Distance travelled 26 miles.

I.—Extract from the Diary of the Kolar District Plague Officer for the week ending Friday 27th January 1899.

1. Sunday 22nd January 1899. "Left Srinivasapur for Chintamani, and in the afternoon visited Handegere and Chinsandra (two infected villages) and had a talk with the people who are living out in the open and are very healthy looking. There have been no cases of plague in these villages since the 7th of this month.

2. 27th January 1899. I am glad to report that plague is subsiding in Malur town and that the disinfection of houses is being proceeded with under the personal superintendence of the Amildar and Hospital Assistant.

II.—Extract from the weekly Diary of the Deputy Commissioner and District Plague Officer, Kadar, for the week ending 28th January 1899.

"23rd January 1899. A native of Kadar, who arrived from an infected area, was found by the townspeople to be unwilling to subject himself to observation on the ground that he was inoculated, although it was explained to him that inoculation was only a remedy against detention and not against observation. The townspeople wisely came forward and prevented his entrance into the town and persisted that he should segregate himself before mixing with them. The passenger accordingly consented to remain outside the town and under observation for ten days."

III.—Extract from the Diary of the Additional Superintendent of Police, Bangalore, for the week ending 28th January 1899.

1. "22nd Sunday. Visited Begur which is a plague infected village. The whole village has been evacuated and the people have camped out in fields. Some deaths were reported among those that arrived late. No deaths since 14th January 1899.

2. One great improvement I saw in all the villages I inspected was the storing of manure outside the villages in fields."

Extract from the Diary of the District Plague Officer, Bangalore, dated 3rd February 1899.

Plague appears to be decreasing in all taluks except Anekal; where it is still bad in the kasba. This taluk has suffered more than any other taluk in the district. * * * * *
